RE: **Status Report: Elk Grove Incorporation Mitigation Measures**

Regarding the Swainson's Hawk mitigation measure, the City of Elk Grove is in the process of responding to the attached request for information. I will provide an update to your Commission as soon as it is available.

Regarding the outside legal opinion related to Regional Transit District, the matter is in progress. Ms. Harriet Steiner, of McDonough, Holland and Allen, is preparing a legal opinion to determine whether or not the Commission's mitigation measure is enforceable. I anticipate that the Commission will be able to discuss this issue at the Commission meeting of August 4, 2004.
