On September 22, 2004, the protest period closed. All protest received and not withdrawn were forwarded to the Registrar of Voters to determine the value. The Registrar of Voters determined sufficient protest was submitted to trigger an election on the issue.

Of 44 total votes cast, 20 votes were in favor of the proposed Reorganization; 24 votes were against the proposed Reorganization. A simple majority ruled this election and the measure was defeated.

Attached for your information is the final action, a Certificate of Termination, which closes these proceedings.¹
