RE: Contract for environmental consulting services with Planning Partners  
FY 2005-06

**RECOMMENDATION**

Authorize your Executive Officer to sign the attached Contract for environmental services with the firm Planning Partners, [Robert Klousner, Consultant], in the amount of \$50,000 for FY 2005-06.

**DISCUSSION**

The proposed Contract for environmental consultation services has been increased from \$25,000 to \$50,000, an increase of \$25,000. This amount is only an estimate of projected costs for legal services during FY 2005-06, and actual costs may be higher. The increase anticipates additional consultation fees related to the proposed SMUD Annexation in Yolo County and the City of Sacramento Sphere of Influence. Most of the increase in environmental consultation costs will be reimbursed by the applicants in the form of project reimbursements.

Future Contract Amendments will be required if actual costs exceed the budgeted \$50,000.
