RE: **Special Districts Advisory Committee**
Terms of Office Update
Confirmation of Candidates

RECOMMENDATION

1. Endorse the introduction of overlapping terms for membership as proposed by the Special Districts Advisory Committee.
2. Confirm recommended candidates to the Special Districts Advisory Committee.

BACKGROUND

The Special District Advisory Committee was established by your Commission October 1, 2003. The membership was subsequently confirmed on February 4, 2004. At the time of its establishment, all terms were to run concurrently for a period of two years. However, in the interest of continuity, the Special District Advisory Committee has determined that while terms of office should continue to be for a two year period, the terms should be staggered.

After due deliberation, the Committee recommends that beginning with this term, half of the membership will serve for one year, the other half will serve for two years. At the end of this calendar year, all terms will revert to two year terms. A new nomination process will open in January 2007.
