## Message FROM GENERAL MANAGER

Cordova Recreation & Park District (CRPD) is committed to providing extraordinary customer service. We are proud to serve the District residents including Gold River, Larchmont, Mather, Rancho Cordova, Riviera East and Rosemont since 1958.

This comprehensive Recreation Guide is one way that helps us serve you better. You will find a diverse and wide range of sport and leisure activities, children's enrichment programs, special events and a park guide to locate CRPD parks and facilities to serve your recreation and social needs. These recreational opportunities enhance the quality of life for our community.

This time of year is perfect to join team sports like Jr. Kings Basketball or Youth Street Hockey. You can also take a leisure class like Restorative Yoga to stay healthy while meeting new people with similar interests. We are always looking for new opportunities and unique, fun programs to offer our residents of all ages. If you have an idea about an activity you would like us to offer, please feel free to reach out and share your thoughts with our recreation staff or by emailing us at [customerservice@crpd.com](mailto:customerservice@crpd.com).

It is an honor to serve our community with these enrichment opportunities and award winning parks.

Thank you for your support and participation!

**Patrick Larkin, General Manager**

# PARTY RENTALS

For pricing and availability, call the Hagan Community Center at 916-369-9844

## WHITE ROCK SPLASH PARK PARTIES

**Time Slots: 5:30-7:30 p.m.**

**Ages: All**

**Fee: Packages start at \$200**

Dump bucket, water slides and canons, oh my! These water park features are sure to keep your party cool. Rental options include: Splash Park access only, Splash Park and Clubhouse or Splash Park and Pavilion. Host up to 70 people from Memorial Day to Labor Day.

## PARTY AT THE HYDE OUT

**Ages: Ideal for ages 11+**

**Fee: \$94/hour**

The HYDE Out is the ideal spot for tweens and teens to celebrate any occasion! Our facility offers various gaming tables, gaming consoles and board games. Package includes one staff member to oversee equipment.

**>> See page 35 for more information**

## PARTIES AT THE BARN

**Ages: Ideal for ages 4+**

**Fee: Packages start at \$220**

Enjoy interacting with our farm friends at your next event!

Package includes an all-day reservation at a basic picnic area, one (1) hour in the Hagan Community Barn for up to 15 children, animal meet and greet, a tour of the grounds and craft time with our Barn staff. Schedule your kiddo's next party at the Barn!

## POOL parties!

**Time Slots: 9 a.m.-noon & 5:30-8 p.m.**

**Ages: All**

Have a splashin' good time during your private pool party! When it heats up, choose from the Cordova Community Pool or the Lincoln Village Community Pool to celebrate.

### Cordova Community Pool

**Fee: Packages start at \$149/hour**

Features two swimming pools. The activity pool has splash features and a sloped entry with depths that vary from zero to four (4) feet. The competition pool provides eight (8) deep lanes, two (2) shallow lanes, a diving board and has depths that vary from 3.5 to 12 feet. The facility features picnic tables, an open grass area, bleachers and a shade canopy.

### Lincoln Village Community Pool

**Fee: Packages start at \$75/hour**

Features one swimming pool. The pool has a sloped entry, and depths ranging from zero to 5.5 feet. This facility is surrounded by open grass areas and a shade canopy.

## OUTDOOR PARTIES

Whether you're looking for a large open outdoor space, a sports field or beautiful picnic pavilion, CRPD has the perfect size location for your celebration.

**>> See page 33-37 for more information about our event spaces**

# Aquatics

## PUBLIC SWIM GENERAL INFORMATION

Entrance fee is for all who enter the pool area, not just swimmers. Punch cards can be purchased at each pool location and the Hagan Community Center. Large groups of 20 or more, or field trip groups must pre-arrange details or risk being denied entry.

**Call 916-369-9844 or email [customerservice@crpd.com](mailto:customerservice@crpd.com) for more information.**

## CORDOVA COMMUNITY POOL

## Water Aerobics

With CRPD Staff

Ages: 12+

Our pools offer the perfect balance of deep and shallow water for an effective aerobic workout that is easy on your joints. Deep water provides resistance for your movements, while shallow accommodates those who do not wish to immerse themselves fully. All swim levels welcome! Punch cards can be purchased at either pool or at the Hagan Community Center.

Location: Cordova Community Pool – Deep Water

ACTIVITY	DAYS	DATES	TIME	FEE
4210	Tues & Thurs	June 6-Aug. 4	Noon-12:50 p.m.	\$8/class or \$44/8-visit punch card

Location: Lincoln Village Community Pool – Shallow Water

ACTIVITY	DAYS	DATES	TIME	FEE
4250	Mon-Thurs	June 6-Aug. 4	7-7:50 p.m.	\$8/class or \$44/8-visit punch card

## Junior Lifeguard Camp

Ages: 11-14

American Red Cross Junior Lifeguarding is designed to guide youth to the American Red Cross Lifeguarding course by building a foundation of knowledge, attitudes and skills for future lifeguards. Participants are not required to master or perfectly execute skills. They will learn techniques, build stamina and live a day in the life of a lifeguard during this program! Includes CPR certification.

Location: Hagan Community Center & Cordova Community Pool

ACTIVITY	DAYS	DATES	TIME	FEE
4510.01	Mon-Fri	June 20-24	9 a.m.-4 p.m.	\$185/person
4510.02	Mon-Fri	July 25-29	9 a.m.-4 p.m.	\$185/person

## Water Polo Camp

Ages: 10-14

This camp introduces water polo skills and game concepts to youth and provides opportunities to participants to make new friends, set goals and develop skills. Get soaked, stay stoked!

Location: Hagan Community Center & Cordova Community Pool

ACTIVITY	DAYS	DATES	TIME	FEE
4520.01	Mon-Fri	July 18-22	9 a.m.-4 p.m.	\$170/person

## Lap Swim

Stay in shape and enjoy the Cordova Community Pool with our lap swimming program. Our 25-yard competition pool is heated to at least a comfortable 78 degrees. The number of lanes available varies. Lanes are first-come, first-served and you may be required to share a lap swimming lane during peak times. There are dedicated lap lanes every day during public swim hours.

Location: Cordova Community Pool

DAYS	DATES	TIME	FEE
Mon-Thurs	June 6-Aug. 4	10 a.m.-4 p.m.	\$40/10-visit punch card or Season Pass
Fri	June 10-Aug. 5	2-7 p.m.	\$40/10-visit punch card or Season Pass
Fri	Aug. 12-Sept. 2	4:30-7 p.m.	\$40/10-visit punch card or Season Pass
Weekends	May 28-Oct. 2	1-5 p.m.	\$40/10-visit punch card or Season Pass

## Lifeguard Training with AED/02/Title 22 First Aid

Ages: 15+

This American Red Cross course is a combination of Lifeguard Training, CPR for the Professional Rescuer, Administering Emergency Oxygen and First Aid for Public Safety Personnel (Title 22). This complete course provides all certifications necessary to obtain employment as a lifeguard in the State of California.

**Prerequisites:** The required swimming skills include 300 yards continuously swimming (12 laps), tread water for 2 minutes without hands and perform a 20-yard swim and 10 lb. brick retrieval in 7 feet of water. Must be 15 years old by the last day of class.

**\*This class requires 7 hours of online course work before the first day of class. One week before the class you will be emailed the pre-course login information.**

Location: Hagan Community Center & Cordova Community Pool

ACTIVITY	DAYS	DATES	TIME	FEE
4311	Fri-Sun*	Mar. 26-27 & Apr. 1-3	8 a.m.-6 p.m.	\$230/person
4312	Mon-Thurs	Apr. 11-14	8 a.m.-6 p.m.	\$230/person
4313	Tues-Fri	May 31-June 3	8 a.m.-6 p.m.	\$230/person

\*Fridays: 4:30-7:30 p.m.

## Water Safety Instructor (WSI)

Ages: 16+

This course is designed to train participants to teach infant, child, and adult courses from the American Red Cross Swimming and Water Safety program. The WSI course develops an understanding of how to create lesson plans, conduct training sessions, and evaluate participants progress. Upon successful completion of the course, participants will receive American Red Cross Water Safety Instructor certification.

**Prerequisites:** The required swimming skills include proficiency at Elementary Backstroke (Back Crawl), Breaststroke, Butterfly, Freestyle, Side Stroke. Participants must also be able to back float for 1 minute and tread water for 1 minute. Must be 16 years old by the last day of class.

**\*Registration deadline: April 1. Two weeks before the class you will be emailed the pre-course login information.**

Location: Hagan Community Center and Cordova Community Pool

ACTIVITY	DAYS	DATES	TIME	FEE
4330	Sun-Tues	Apr. 10-12*	9 a.m.-6 p.m.	\$220/person

\*Fridays: 4:30-7:30 p.m.

# Swim LESSONS

## REGISTRATION INFO & TIPS

- ▶ Register online starting March 7 at 8:30 a.m.
- ▶ Session registration closes at 5 p.m. on the Thursday prior to the first day. \$5 late fee for all registrations taken after deadline.
- ▶ Most swimmers will take each level more than once.
- ▶ Swim attire, sunscreen and towel highly recommended.
- ▶ Goggles and swim caps optional (no snorkel masks).
- ▶ Swim-diapers required for children who wear a diaper.
- ▶ We will not transfer, refund or credit students for missed lessons.

## STEP 1 > CHOOSE LEVEL

### GROWNUP & ME GROUP LESSONS

#### Shrimps: (Ages 6 mo-3 yrs)

Beginning lessons for infants and toddlers. Emphasis on water adjustment, floating, bubbles, going underwater, holding breath, kicking and arm movement through songs and games. Requires adult participation in the water.

#### Seahorses: (Ages 3-5 yrs)

Swim readiness class for young children. It introduces floating, bubbles, going underwater, holding breath, kicking, arm strokes, glides, body position and entering and exiting water. Requires adult participation in the water.

### GROUP LESSONS FOR BEGINNERS

#### Tadpoles: Level 1 (Ages 3-5 yrs)

Swim readiness class for young children who are ready to swim with the instructor(s). It introduces floating, bubbles, going underwater, holding breath, kicking, arm strokes, glides, body position and entering and exiting the water.

#### Guppies: Level 2 (Ages 3-5 yrs)

For young children who are able to glide two (2) body lengths, roll over and float for (3) seconds with support. Emphasis on breath control, rhythmic breathing, floating, gliding, sculling, forward propulsion, kicking, arm strokes and basic safety.

#### Lobsters: Level 1 + 2 (Ages 6-14 yrs)

For first-time swimmers. Emphasis on entering and exiting the water, submerging, breath control, rhythmic breathing, floating, gliding, sculling, forward propulsion, kicking, arm strokes and basic safety.

### ADULT LESSONS

#### Beginner and Advanced Beginner (Ages 15+ yrs)

Lessons will cover basic water skills and introductory swimming. Suited for adults with no swim experience, little swim experience or those who would like to learn fundamental swimming including freestyle and elementary backstroke.

### GROUP LESSONS FOR INTERMEDIATE

#### Turtles: Level 3 (Ages 4-14 yrs)

For swimmers who are able to float or tread for 15 seconds and swim five (5) body lengths unsupported. Emphasis on rhythmic and rotary breathing, floating, treading, sculling, forward propulsion and water safety. It introduces freestyle, backstroke and elementary backstroke.

#### Otters: Level 4 (Ages 5-14 yrs)

For swimmers who can swim 15 yards independently. Emphasis on stroke development including freestyle with rotary breathing, backstroke, elementary backstroke and treading. It introduces breaststroke, underwater swimming and reaching rescues.

#### Dolphins: Level 5 (Ages 5-14 yrs)

For swimmers who are able to swim 25 yards of freestyle and 15 yards of backstroke. Emphasis on stroke proficiency and endurance for freestyle, back stroke, elementary backstroke, breaststroke and treading. It introduces sidestroke, diving and survival swimming.

### GROUP LESSONS FOR ADVANCED

#### Wahoos: Level 6 (Ages 7-14 yrs)

For swimmers who are able to swim 50 yards of freestyle and backstroke and 25 yards of breaststroke, elementary backstroke and sidestroke. Emphasis on stroke refinement and efficiency of freestyle, backstroke, breaststroke and butterfly. Additional skills include starts, turns, surface dives, approach strokes and swimming for fitness.

### PRIVATE LESSONS

#### Private / Semi-Private Lessons: All Levels (Ages 4+ yrs)

Students are able to learn at their own pace in lessons tailored to their skill and learning style based on CRPD's established curriculum. Swimmers participating in semi-private lessons must swim at the same skill level.

Group Fee .....\$55/class for 8 lessons

Private Fee.....\$68/class for 4 lessons

Each lesson is 25 minutes.

See [www.crpdc.com](http://www.crpdc.com) for private lesson dates.

# FREE INFORMATIONAL PRESENTATIONS

## Estate Planning/Wills & Trusts

Planning for the future is crucial and estate planning is particularly important for seniors. However, estate planning requires numerous practical and legal considerations. An advocate from the Senior Legal Hotline of Northern California will walk you through this complex process. There will be a short Q&A session afterwards.

ACTIVITY	DAYS	DATE	TIME
9070	Tues	Apr. 5	10-11 a.m.

## CaptionCall

Keeping a safe distance doesn't have to be lonely. CaptionCall helps people with hearing loss connect with friends and family by phone. Easy-to-read captioning helps you understand conversation better. There's no cost for people with hearing loss that need captions to use the phone effectively.

ACTIVITY	DAYS	DATE	TIME
9072	Thurs	Apr. 14	12:30 p.m.

## Social Security

This presentation will be about Social Security retirement benefits. Specifically, we will discuss eligibility rules, including what it means to receive benefits before, during, or after normal retirement age and eligibility requirements to receive spouse's, divorced spouse's, or widow's/widower's benefits.

ACTIVITY	DAYS	DATE	TIME
9073	Mon	May 2	10-11 a.m.

## Pension

The Western States Pension Assistance Project, housed with the Senior Legal Hotline, offers free pension counseling services to track down benefits, coordinate conversations with current or former employers about retirement benefits, help determine eligibility as a former or surviving spouse, and assist with other retirement benefit issues.

ACTIVITY	DAYS	DATE	TIME
9074	Mon	June 6	10-11 a.m.

## Consumer Debt

Having debt is a stressful and expensive fact of life, but with the right knowledge you can manage your debt without having to file bankruptcy or paying for debt relief services. LSNC advocates will provide a free presentation about seniors' rights and obligations when they owe money, and the available options to manage debt.

ACTIVITY	DAYS	DATE	TIME
9075	Mon	July 11	10-11 a.m.

## Fall Prevention

One in four Americans aged 65+ falls each year. Every 11 seconds, an older adult is treated in the emergency room for a fall; every 19 minutes, an older adult dies from a fall. Falls are the leading cause of fatal injury and the most common cause of nonfatal trauma-related hospital admissions among older adults. Come find out how you can prevent falls in your home.

ACTIVITY	DAYS	DATE	TIME
9071	Thurs	July 21	10-11 a.m.

## CalFresh

Groceries and food expenses can take up a large portion of one's budget, particularly for a senior living on a fixed income such as Social Security and/or pension benefits. In California, a federal program called CalFresh (known nationally as Supplemental Nutrition Assistance Program, or "SNAP") can provide benefits to help individuals with limited incomes obtain basic, nutritious food. During this presentation, SLH advocate(s) will discuss various CalFresh topics and issues, including eligibility for benefits; applying for CalFresh; calculating benefits; underpayments and overpayments; and due process requirements.

ACTIVITY	DAYS	DATE	TIME
9076	Mon	Aug. 1	10-11 a.m.

**Presentations are open to all ages.**

Please RSVP either online or by calling 916-366-3133 for these free presentations as space is limited.

Presentations are held at the Neil Orchard Senior Activities Center.

## Senior Center **EVENTS & ACTIVITIES**

**Events are held at the Neil Orchard Senior Activities Center. We encourage you to purchase tickets in advance as some events sell out quickly.**

### **Fees:**

**\$6/Member, \$8/Non-Member, \$10/day of event\***

*\*Unless otherwise noted*

### **St. Patrick's Day Celebration**

Do you have the luck of the Irish? Enjoy homemade corned beef and cabbage as we celebrate St. Patrick's Day.

ACTIVITY	DAYS	DATE	TIME
9203	Wed	Mar. 16	11:30 a.m.

### **Cinco de Mayo**

We're having a Fiesta and you're invited to come and enjoy a delicious Mexican Feast.

ACTIVITY	DAYS	DATE	TIME
9023	Wed	May 4	11:30 a.m.

### **National Pizza Party Day**

We know it's cheesy, but we love an excuse to celebrate! Your pizza party ticket includes a slice of pepperoni or cheese pizza, green salad, and a beverage.

ACTIVITY	DAYS	DATE	TIME	FEE
9024	Wed	May 18	11:30 a.m.	\$5

\$5/day of event

### **Taco Salad and Bingo Fundraiser**

Come support the Cordova Senior Advisory Board raise funds for the Neil Orchard Senior Activity Center. Enjoy a tasty Taco Salad and a fun game of Bingo.

ACTIVITY	DAYS	DATE	TIME	FEE
Taco Salad	Mon	June 20	11:30 a.m.-12:30 p.m.	\$5
Bingo	Mon	June 20	12:30-1:30 p.m.	\$5

In-person registration only

### **Hot Dog!**

No need to pay for a ball game, just come celebrate one of the staples of American cuisine! Tickets include grilled hot dog, bag of chips, and beverage.

ACTIVITY	DAYS	DATE	TIME
9025	Wed	July 13	11:30 a.m.

### **Senior Citizen Day**

Join us as we support, honor, and show our appreciation to our seniors and their positive contributions to the community.

ACTIVITY	DAYS	DATE	TIME
9026	Wed	Aug. 17	12:30 p.m.

**Sponsored by:**

## Excursions & TRIPS

### CALIFORNIA ACADEMY OF SCIENCES

With CRPD Staff

Ages: 18+

The California Academy of Sciences is a must-see San Francisco museum. Based in beautiful Golden Gate Park, it's the only place on Earth to house an aquarium, planetarium, rainforest, and natural history museum - all under one living roof! Lunch on own at the on-site café.

**Activity Level: Moderate level of walking**

**Cancellation deadline is March 21**

ACTIVITY	DAYS	DATE	TIME	FEE
9000	Tues	Apr. 26	8 a.m.-6 p.m.	\$105

### ALCATRAZ ISLAND

With CRPD Staff

Ages: 18+

Step back in time and experience the legendary island that has been a Civil War fort, a military prison and one of the most notorious federal penitentiaries in US history. Take a self-guided tour of the infamous former federal prison, which was home to the likes of Al Capone, George "Machine Gun" Kelly, and Robert "The Birdman" Stroud.

**Activity Level: Moderate/strenuous level of walking**

**Cancellation deadline is May 16**

5 Series (300 min.)	4 Golfers	\$225/Golfer

## GOLF CLINICS

### First Tee Junior Clinics

With Jack Rovane, PGA

As a proud member of the First Tee of Greater Sacramento, we offer Junior Golf Clinics to both novice and experienced young golfers. Instruction focuses on golf fundamentals, promotes positive self-esteem, sportsmanship and healthy habits. Golfers are introduced to the First Tee Nine Core Values, which represent some of the many inherently positive values connected to the game of golf. These are incorporated throughout the program and parents are encouraged to reinforce these behaviors outside the course. Our PGA Professional Instructor, Jack Rovane, and his staff are passionate about the game and excited to teach a new generation of golfers.

AGES	DAYS	DATES	TIME	FEE
6-18	Sat	Ongoing*	10-11 a.m.	\$15/player, per day

\*Subject to weather conditions. During periods of wet weather, visit [facebook.com/cordovagolcourse](https://facebook.com/cordovagolcourse) or call 916-362-1196 (option 1) one hour prior to class for updates on weather conditions and course closure.

# Mather SPORTS COMPLEX

3755 Schriever Avenue, Mather | 916-362-1704

Monday, Wednesday, Friday 4-9 p.m.

Tuesday & Thursday 12-9 p.m.

Saturday & Sunday 8 a.m.-6 p.m.

## MEMBERSHIPS

To qualify for a group membership rate, at least 10 people from a business/organization/complex/association/etc. must initially sign up at the same time to establish the group. Once established, all persons associated with the group qualify for the group rate. Must show proof of association with the group or military (i.e. ID badge/card, Military I.D., business card, pay stub, etc.).

Individual: \$26/month  
Groups or Military: \$21/person per month

### INDOOR AMENITIES

- Indoor High School Basketball Court with 2 Cross Courts
- Indoor Main Volleyball Court with 3 Cross Courts
  - 3 Racquetball Courts
- 2 Weight Rooms and 1 Cardio Room
  - Dance Studio
  - Showers & Lockers

### OUTDOOR AMENITIES

- 3 Synthetic Turf Softball/Baseball Fields
- 2 Synthetic Turf Soccer/Multi-Use Fields
  - 1 Natural Turf Baseball Field
    - Skate Park
  - Children's Playground
  - Pétanque Courts
  - Picnic Areas

## RATES

Good all day for all indoor amenities

- \$6 drop-in
- \$3 Student drop-in. Student drop-in fee is for students 18 and younger. (Must show a valid school I.D. card)
- \$33/10-visit punch card (Expires one year after purchase date)
- \$3 Military (Must show valid military ID)

## PLAZA SKATE PARK

Open sunrise to sunset for skateboards, bike riders, in-line skaters, roller skaters and scooters. Available to rent hourly, please contact the Mather Sports Center at 916-362-1704.

## SPORTS & LEAGUES

League information may be picked-up at Mather Sports Center, or downloaded from [www.teamsideline.com/cordova](http://www.teamsideline.com/cordova) or seen on pages 13 and 22.

## EVENTS & TOURNAMENTS

Mather Sports Complex is a regional sports destination with synthetic turf sports fields, a full-size basketball gym, cardio and weight rooms, racquetball courts, a dance studio and a natural turf baseball field available to rent.

Visit [crpd.com/rentals](http://crpd.com/rentals) for rental information.

## PÉTANQUE (PAY-TONK) COURTS

Similar to bocce ball, pétanque is a form of boules, where the goal is to throw a hollow metal ball as close as possible to a small wooden ball called a cochonnet or jack. The local club, Club Francais De Sacramento, meets at the Mather Sports Complex every Thursday and Sunday at 1 p.m. (10 a.m. June through Sept.) – weather permitting – and invites new players to drop-in! Club Francais de Sacramento also hosts competitive and casual pétanque tournaments at least once a month, among other social events.

For more information, visit [www.sacramentopetanque.com](http://www.sacramentopetanque.com).

## Picnic & Field RENTALS

**Reservation requests now available online!**  
Visit [crpd.com/rentals/rental-information](http://crpd.com/rentals/rental-information) for more info.

### PAVILION/PICNIC RENTALS

#### Reservations available up to 1 year in advance

To reserve a picnic or pavilion area, call the Hagan Community Center at 916-369-9844, email [rentals@crpd.com](mailto:rentals@crpd.com) or reserve online. Daily use fees vary depending on the capacity and size of the picnic/pavilion area. Alcohol is only allowed in the reservable park spaces with a permit. Most parks and picnic areas are on a first-come, first-served basis.

#### CRPD recommends reserving the following pavilions and picnic areas in advance.

##### Reservable Pavilion/Picnic Areas Year Round

- Hagan Community Park: Picnic Areas and Pavilion
- Heron Landing Community Park: Pavilion
- Independence Community Park: 3 Small Pavilions
- Labrynth Community Park: Pavilion
- Lincoln Village Community Park: Picnic Area
- Rosemont Community Park: Pavilion
- Stone Creek Community Park: Pavilion and Amphitheater
- Sunridge Park: Pavilion
- The Village Green: Amphitheater
- White Rock Community Park: Pavilion

### ATHLETIC FIELDS

CRPD has a number and variety of athletic facilities for sports practices and conditioning including baseball, softball and soccer. Prices vary. Please contact Mather Sports Center for details, rates and availability at 916-362-1704 or [tpaceallen@crpd.com](mailto:tpaceallen@crpd.com).

### SPECIAL USE PERMITS *(includes commercial use)*

Groups of 150 or more and special events requiring exemptions must secure a Special Use Permit at least 60 days before an event. Additional information and permit applications are available on our resources webpage at [www.crp.com](http://www.crp.com), by calling the Hagan Community Center at 916-369-9844 or emailing [rentals@crpd.com](mailto:rentals@crpd.com).

## DEPOSITS

A \$200 cleaning and security deposit is required for the rental of all indoor CRPD facilities. If alcohol is being served, the cleaning and security fee is \$500. Deposit must be received in order to secure date(s). Building deposit will be refunded upon completion of the activity if the respective facility is returned to its original condition. Refund may take up to six (6) weeks for processing if paid by check or cash. Deposits made by credit card will take 2-3 business days to be refunded.

## INSURANCE

All individuals, groups or organizations renting CRPD facilities will need to obtain a certificate of liability insurance in the minimum amount of \$1,000,000, naming the District as co-insured with an additional insured endorsement. Coverage can be obtained through the District's insurance carrier for an additional fee.

## Hagan COMMUNITY CENTER

Buildings at the Hagan Community Center in Hagan Community Park may be reserved by groups and individuals. This location is ideal for wedding receptions, reunions, dances, private parties and other group activities. The buildings are situated in a park setting surrounded by trees, ponds and footbridges which offer splendid scenery and recreational facilities. Picnic areas, tennis courts, playgrounds, ball fields and more are also nearby. Activities serving alcoholic beverages requires paid security (included in alcohol rate).

Email: [rentals@crpd.com](mailto:rentals@crpd.com)

### Building 1

- ▶ 38' x 60' Multipurpose Room (2,400 sq.ft.)
- ▶ Minimum 4 hours
- ▶ 200 Seated Classroom Style
- ▶ 150 Seated with Tables

\*Major credit card payments only

### Have Questions?

Visit [crpd.com/register](http://crpd.com/register) for step-by-step guide to registering online

### In-person Registration

**Hagan Community Center** • 2197 Chase Drive  
Monday-Friday • 8 a.m.-5 p.m.

**Neil Orchard Senior Activities Center** • 3480 Routier Rd  
Monday-Friday • 7:30 a.m.-4 p.m. (Friday closes at 3:30 p.m.)

**Mather Sports Complex** • 3755 Schriever Ave  
Monday-Friday • 8 a.m.-10 p.m.  
Saturday & Sunday • 8 a.m.-6 p.m.  
\*Major credit cards, cash or check

### Phone Registration

Call 916-369-9844, 916-366-3133 or 916-362-1704

\*Major credit card payments only

## PRE-REGISTRATION IS REQUIRED

Register early! Pre-registration helps us track the number of participants in a class. If the minimum number of students is not met, there is the chance a program will be canceled.

## REFUND PROCEDURE

- Cordova Recreation & Park District (CRPD) reserves the right to cancel, combine or divide classes, change time, date or place of classes, change instructor or make other changes necessary.
- Those who fail to attend a class or "no show" will not be granted a refund. Refunds are only eligible if cancellation is received a minimum of 48 hours prior to the first class, unless otherwise noted.
- If CRPD cancels a class due to low enrollment, a full refund is issued.
- Refunds for cash and check payments will take 4-6 weeks to process.
- Refunds for credit card payments will take 2-3 business days to process.

**CRPF** | CORDOVA RECREATION & PARKS FOUNDATION

Enriching the lives and communities of our residents through charitable gifts in support of recreation and park programs of the Cordova Recreation & Park District.

Learn more and apply at [crpdfoundation.com](http://crpdfoundation.com)

## CRPF FEE ASSISTANCE PROGRAM

We believe everyone should be able to benefit from our programs. Our Fee Assistance Program is here to help you get involved. Fee assistance is available to all who meet the following criteria:

- Resident of Cordova Recreation & Park District.
- Can demonstrate a financial need that prevents the individual from participation in CRPD programs.
- Complete and return an application form at least 10 days prior to start of program. Forms are available at the CRPD District Office, at all locations and online.

Fee assistance is available to those who qualify as long as funds are available. Call **916-369-9844** or visit the Forms page at [crpd.com](http://crpd.com) for an application.

Want to help us assist those in need? Donations can be made online or at any CRPD location.

Learn more at <https://crpdfoundation.com>

## GIFT CERTIFICATES

Give the gift of health and well-being! CRPD gift certificates can be purchased for any amount and redeemed for any program, class or service.

### Two easy ways to purchase:

- In-person at any of our community centers
- By phone at 916-369-9844

## Message FROM GENERAL MANAGER

We are committed to providing extraordinary parks and recreation activities. As you browse through this guide, you will find a diverse range of sports and leisure activities, children's enrichment programs, special events and a park guide to locate your parks and facilities to serve you.

This time of year is perfect to join team sports like Jr. Kings Basketball or Youth Street Hockey, enjoy new enrichment classes like Art is Good for You or take a leisure class like Restorative Yoga to stay healthy while meeting new people with similar interests. The holidays are right around the corner so now is the time to sign up for the many holiday classes and events. We are also offering swim season passes for both the Cordova Community Pool and Lincoln Village Community Pool that would make a great gift!

We are always looking for new fun opportunities to offer our residents of all ages. If there is an activity you would like us to offer, please feel free to share your thoughts by emailing us at [customerservice@crpd.com](mailto:customerservice@crpd.com).

We hope to see you at one our activities soon!

**Patrick Larkin, General Manager**

Weekends	Aug. 6 - Sept. 5	1 - 5 p.m.	\$3/person or \$20/10-visit punch card/Pass

\*Pool will operate 1-5 p.m. on Labor Day.

For more aquatics information, scan code.

### WHITE ROCK COMMUNITY SPLASH PARK

**10488 White Rock Road • 916-369-9844**

Stay cool this summer at the dynamic and interactive splash park featuring a large dump bucket, waterslides, canons, water jets and much more. Visit our website for OSHA height requirements for the slides. Adults and children not tall enough for slides can enter for free and play in the spray areas.

**Maximum capacity is 70 people.**

#### Splash Park Hours

DAYS	DATES	SLIDE FEES
Sat & Sun	Aug. 6 - Sept. 4	\$1/session (cash only)
Mon - Fri	Aug. 1 - 5	\$1/session (cash only)
Mon	Sept. 5	\$1/session (cash only)

SESSION	TIME
1	11 a.m. - 12:30 p.m.
2	1 - 2:30 p.m.
3	3 - 4:30 p.m.

## SEASON PASSES

Buy a season pass and enjoy both the Cordova Community Pool and the Lincoln Village Pool all season!

**\$65 INDIVIDUAL PASS**

**\$180 FAMILY PASS\***

\*Family of Four: \$45 each additional person, must reside in same household

### COMMUNITY SPRAY PARKS

Great for keeping you and your family cool in the hot summer months, our spray parks have water features that spray, sprinkle and drop!

Heron Landing Community Park	11750 Justinian Drive
Stone Creek Community Park	3625 Spoto Drive
Sunridge Park	4041 Borderlands Drive
The Village Green	3141 Bridgeway Drive

#### Spray Park Hours

DAYS	DATES	TIME
Fri - Sun	May & Sept.	10 a.m. - 7 p.m.
Mon - Sun	June - Aug.	10 a.m. - 7 p.m.

## LAP SWIM

Stay in shape and enjoy the Cordova Community Pool with our lap swimming program. Our 25-yard competition pool is heated to a comfortable 78 degrees. The number of lanes available varies. Lanes are first-come, first-served and you may be required to share a lap swimming lane during peak times. There are dedicated lap lanes every day during public swim hours.

Location: Cordova Community Pool

## CORDOVA CORDETTES

Check our website for additional information

Location: Cordova Community Pool

Join our recreational synchronized swim team! Coaches will teach swimmers the sport that combines dance, gymnastics and endurance in the water. Swim meet dates vary in June and July. The team is open to beginners through experienced swimmers between the ages of 5 and 18. Swimmers must be comfortable in deep water and able to swim without assistance: 25 yards (ages 10 & under) or 50 yards (ages 11-18).

**REGISTRATION OPENS FEB. 20, 2023!**

## CORDOVA BLUE MARLINS

Check our website for additional information

Location: Cordova Community Pool

Join us for a summer of competitive swimming. The Blue Marlins are a summer recreational swim team that competes against other Sacramento area teams. Practice times vary. Specific information is in the team handbook found at [www.cordovabluemarlins.com](http://www.cordovabluemarlins.com). Swim meets are Saturdays in June and July. The teams are open to beginners through experienced swimmers between the ages of 5 and 18. Swimmers must be able to swim without assistance: 25 yards (ages 10 & under) or 50 yards (ages 11-18). *Space is limited.*

**REGISTRATION OPENS FEB. 20, 2023!**

## SWIM TEAM OPEN HOUSE SATURDAYS

Thinking about joining a swim team? Come visit the Cordova Community Pool to meet the coaches and take the swim test. Swimmers must be able to swim without assistance: 25 yards (ages 10 & under) or 50 yards (ages 11-18).

Location: Cordova Community Pool

**Cordova Blue Marlins**

*\*Elk Grove Unified School District Spring Break.  
Additional classes coming in April and May!*

# Swim LESSONS

REGISTRATION NOW OPEN!

## REGISTRATION INFO & TIPS

- ▶ Session registration closes at 5 p.m. on the Thursday prior to the first day. \$5 late fee for all registrations taken after deadline.
- ▶ Most swimmers will take each level more than once.
- ▶ Swim attire, sunscreen and towel highly recommended.
- ▶ Goggles and swim caps optional (no snorkel masks).
- ▶ Swim-diapers required for children who wear a diaper.
- ▶ We will not transfer, refund or credit students for missed lessons.

### STEP 1 CHOOSE LEVEL

#### GROWNUP & ME GROUP LESSONS

##### Shrimps: (Ages 6 mo-3 yrs)

Beginning lessons for infants and toddlers. Emphasis on water adjustment, floating, bubbles, going underwater, holding breath, kicking and arm movement through songs and games. Requires adult participation in the water.

##### Seahorses: (Ages 3-5 yrs)

Swim readiness class for young children. It introduces floating, bubbles, going underwater, holding breath, kicking, arm strokes, glides, body position and entering and exiting water. Requires adult participation in the water.

#### GROUP LESSONS FOR BEGINNERS

##### Tadpoles: Level 1 (Ages 3-5 yrs)

Swim readiness class for young children who are ready to swim with the instructor(s). It introduces floating, bubbles, going underwater, holding breath, kicking, arm strokes, glides, body position and entering and exiting the water.

##### Guppies: Level 2 (Ages 3-5 yrs)

For young children who are able to glide 2 body lengths, roll over and float for 3 seconds with support. Emphasis on breath control, rhythmic breathing, floating, gliding, sculling, forward propulsion, kicking, arm strokes and basic safety.

##### Lobsters: Level 1 + 2 (Ages 6-14 yrs)

For first-time swimmers. Emphasis on entering and exiting the water, submerging, breath control, rhythmic breathing, floating, gliding, sculling, forward propulsion, kicking, arm strokes and basic safety.

#### GROUP LESSONS FOR INTERMEDIATE

##### Turtles: Level 3 (Ages 4-14 yrs)

For swimmers who are able to float or tread for 15 seconds and swim 5 body lengths unsupported. Emphasis on rhythmic and rotary breathing, floating, treading, sculling, forward propulsion and water safety. It introduces freestyle, backstroke and elementary backstroke.

### STEP 2 CHOOSE TIME

#### FALL SWIM LESSONS

Check [www.crpdpd.com](http://www.crpdpd.com) for information on Fall swim lessons at the new Cordova Community Pool this September! Two options will be available in the evenings: Mondays/Wednesdays and Tuesdays/Thursdays.

# Youth SPORTS

## ★ ★ ★ VISION SOCCER TRAINING & FUTSAL FACTORY INDOOR SOCCER CLINICS

CRPD is partnering with Vision Soccer Training & Futsal Factory to offer some of the best outdoor/indoor soccer clinics in the Sacramento region, for kids ages 3-13 years old. Each clinic is designed for a specific age group, which guarantees maximum development. Futsal is recognized around the world as the #1 way for players to become more skillful. Futsal players perform better under pressure and can make in-the-game decisions quicker than their competitors that lack formal futsal training. Our training programs use various dynamics and fast-paced activities to help players dramatically improve their individual skills.

### Vision Soccer

ACTIVITY	CLASS TITLE	AGES	DAYS	TIME	FEE

\*No class on 4/4 or 4/8

## My First Tennis Lesson

With CRPD Staff

Ages: 4-6

During this 6-week program which includes one class per week, kids will participate in fun activities while learning the fundamentals of tennis in a safe and supportive environment. With this program the use of "right-sized" equipment (regarding, weight, length, speed, and size) allows young players to learn and play more effectively. Some parent participation.

Location: Heron Landing Community Park – Tennis Courts

ACTIVITY	DAYS	DATES	TIME	FEE
3300	Sat	Mar. 11 - Apr. 22*	9:30 - 10:30 a.m.	\$60

\*No class 4/8

## Learn to Play: Tennis

With CRPD Staff

Ages: 7-12

**Grant Funded by the Sacramento Junior Tennis Fund**

Has your child ever wanted to try tennis, but has not had the opportunity due to financial restraints, unfamiliarity of the sport, or any other reason? If you said yes, then this is the perfect program for your child! This program provides students with the opportunity to try tennis in a safe, enriching, and supportive environment. This opportunity to play is granted funded by the Sacramento Junior Tennis Fund. A small commitment fee is required. Upon completion of the class students will be provided with their very own tennis equipment.

With Golden Jade Tai Chi Chuan

Ages: 50+

Fee for 6-visit Punch Card: \$40/Member, \$45/Non-Member

Learn to focus on health and martial arts aspects of Cheng Man Ching's Tai Chi Chuan. We are a full Tai Chi curriculum school within the CMC tradition, teaching the 37-movement short form, fixed and stepping push hands, two-man practice sets, Da Lu and San Shou. Attire: comfortable loose clothing and flat-bottomed shoes.

ACTIVITY	DAYS	DATES	TIME
9312	Tues & Thurs	Ongoing	9 - 10 a.m.

### Intermediate Tai Chi

With Kathy Villegas

Ages: 50+

Fee for 10-visit Punch Card: \$47/Member, \$52/Non-Member

Often described as "meditation in motion," the gentle flowing movements of Tai Chi are excellent for stress reduction, improving balance, flexibility and circulation. Please bring water, wear loose comfortable clothing, and soft soled shoes. These classes are not meant for beginners.

ACTIVITY	DAYS	DATES	TIME
9304	Mon	Ongoing*	10:30 - 11:15 a.m.

\*No classes October-December

### Exercise

With Adam Batten

Ages: 50+

Monthly Fee: \$30 Member, \$35/Non-Member

Improve body composition, flexibility, strength and endurance while increasing energy and reducing stress in this fun, low-impact program designed for active seniors.

ACTIVITY	DAYS	DATES	TIME
9300	Mon, Wed, Fri	Ongoing	8 - 9 a.m.

For more active adult information, scan code.

## Active ADULT ARTS & ENRICHMENT

Join our lively group of line dancers! These classes are not meant for beginners. Student must meet with instructor prior to registering for class.

ACTIVITY	DAYS	DATES	TIME
9307	Thurs	Ongoing	1 - 3 p.m.

**For Adult Country Line Dance PAGE 18**

# FREE INFORMATIONAL PRESENTATIONS

## Phone Scams

We may have entered the digital age, but the telephone remains a key weapon for scammers targeting the senior population. As part of the Telecommunications Education and Assistance in Multiple Languages (TEAM) Collaborative, a member of ACC Senior Services will go through some of the most common types of phone scams and how to avoid them.

ACTIVITY	DAYS	DATE	TIME
9700	Mon	Sept. 19	1 p.m.

## Estate Planning/Wills & Trusts

Planning for the future is crucial and estate planning is particularly important for seniors. An advocate from the Senior Legal Hotline of Northern California will walk you through this complex process. There will be a short Q&A session afterwards.

ACTIVITY	DAYS	DATE	TIME
9700	Mon	Oct. 17	1 p.m.
9700	Mon	Feb. 6	1 p.m.

## Extended Travel with Collette

Join Jay Fehan from Collette for an informational presentation on a variety of exciting Collette Travel options. Information on upcoming trips will be presented as well as taking suggestions for future offered trips.

ACTIVITY	DAYS	DATE	TIME
9700	Thurs	Oct. 20	10:30 a.m.

## Social Security

This presentation will be about Social Security retirement benefits. An advocate from Legal Services of Northern California will go over eligibility rules as well as eligibility requirements, including what it means to receive benefits before, during, or after normal retirement age and eligibility requirements to receive spouse's, divorced spouse's, or widow's/widower's benefits.

ACTIVITY	DAYS	DATE	TIME
9700	Mon	Nov. 7	1 p.m.

## Get Up 'N Go Travel Presentation

Ready to get up and go? Learn about upcoming motorcoach trips and give input on what future trips you'd like to see us offer.

ACTIVITY	DAYS	DATE	TIME
9700	Mon	Sept. 12	1 p.m.
9700	Mon	Feb. 27	1 p.m.

## Understanding Your PG&E Bill

Presented by ACC Senior Services through the Community Help and Awareness of Natural Gas and Electricity Services (CHANGES), this educational workshop will help you understand your PG&E bill.

ACTIVITY	DAYS	DATE	TIME
9700	Mon	Nov. 14	1 p.m.

## Cyber Crimes (Internet, Social Media)

Cybercrimes are crimes that occur over the internet or by using a computer. A member of the District Attorney's staff will teach us about the most common types of crimes and risks online and how to protect yourself from them.

ACTIVITY	DAYS	DATE	TIME
9700	Mon	Dec. 12	1 p.m.

## Understanding Your Phone Bill

Presented by ACC Senior Services through the TEAM Collaborative, this educational workshop will help you understand your phone bill.

ACTIVITY	DAYS	DATE	TIME
9700	Mon	Jan. 23	1 p.m.

## Identity Theft & Insurance Fraud

Seniors are prime targets for identity thieves because they are more trusting, have more savings built up, and are less likely to closely monitor their credit and financial accounts. Join a member of the District Attorney's staff as they go over the most common types of identity theft and how to avoid them.

ACTIVITY	DAYS	DATE	TIME
9700	Mon	Mar. 13	1 p.m.

**Presentations are open to all ages.**

**Please RSVP either online or by calling 916-366-3133 for these free presentations as space is limited.**

**Presentations are held at the Neil Orchard Senior Activities Center.**

# Senior Center EVENTS & ACTIVITIES

Events are held at the Neil Orchard Senior Activities Center. We encourage you to purchase tickets in advance as some events sell out quickly.

## Fees:

\$8/Member, \$10/Non-Member

\*Unless otherwise noted. No tickets sold on day of event.

### Senior Citizen Day

Join us as we support, honor and show our appreciation to our seniors and their positive contributions to the community.

ACTIVITY	DAYS	DATE	TIME
9026	Wed	Aug. 17	11:30 a.m.

### Halloween Bash

The werewolves will howl, the monsters will mash! It's time to celebrate with a Halloween Bash! Come dressed in your spooky best to be ready to eat, drink and be scary!

ACTIVITY	DAYS	DATE	TIME
9206	Wed	Oct. 26	11:30 a.m.

### Celebrating Veterans Day

Join us as we show our appreciation for the men and women who served to keep America safe and free. Enjoy a delicious luncheon featuring a slice of delicious apple pie a la mode. Event is FREE for Veterans but must RSVP by 11/4.

ACTIVITY	DAYS	DATE	TIME
9204	Wed	Nov. 9	11:30 a.m.

### Thanksgiving Feast

Put on your stretchiest pants and come over for a Thanksgiving Feast served with all the fixings! End the meal with a slice of delicious pumpkin pie.

ACTIVITY	DAYS	DATE	TIME
9202	Wed	Nov. 16	11:30 a.m.

### Winter Wonderland

Eat, drink and be merry. You're invited to join us for our annual Winter Wonderland. Make sure to be on your best behavior though, you never know who'll drop in for a visit!

ACTIVITY	DAYS	DATE	TIME
9200	Wed	Dec. 14	11:30 a.m.

### Lunar New Year Celebration

Enjoy a delicious feast while learning about the various cultures that participate in this time-honored celebration of family, food and good wishes.

ACTIVITY	DAYS	DATE	TIME
9201	Wed	Jan. 25	11:30 a.m.

### Mardi Gras Party

Beads, masks and all that jazz! Enjoy a Cajun-inspired menu with live entertainment.

ACTIVITY	DAYS	DATE	TIME
9205	Wed	Feb. 22	11:30 a.m.

## GOLF CLINICS

### First Tee Junior Clinics

With Jack Rovane, PGA

As a proud member of the First Tee of Greater Sacramento, we offer Junior Golf Clinics to both novice and experienced young golfers. Instruction focuses on golf fundamentals, promotes positive self-esteem, sportsmanship and healthy habits. Golfers are introduced to the First Tee Nine Core Values, which represent some of the many inherently positive values connected to the game of golf. These are incorporated throughout the program and parents are encouraged to reinforce these behaviors outside the course. Our PGA Professional Instructor, Jack Rovane, and his staff are passionate about the game and excited to teach a new generation of golfers.

AGES	DAYS	DATES	TIME	FEE
6-18	Sat	Ongoing*	10 - 11 a.m.	\$15/player, per day

\*Subject to weather conditions. During periods of wet weather, visit [facebook.com/cordovagolcourse](https://facebook.com/cordovagolcourse) or call 916-362-1196 (option 1) one hour prior to class for updates on weather conditions and course closure.

# Mather SPORTS COMPLEX

## PLAZA SKATE PARK

Open sunrise to sunset for skateboards, bike riders, in-line skaters, roller skaters and scooters. Available to rent hourly, please contact the Mather Sports Center at 916-362-1704.

## SPORTS & LEAGUES

League information may be picked-up at Mather Sports Center, or downloaded from [www.teamsideline.com/cordova](http://www.teamsideline.com/cordova) or seen on pages 13 and 22.

## EVENTS & TOURNAMENTS

Mather Sports Complex is a regional sports destination with synthetic turf sports fields, a full-size basketball gym, cardio and weight rooms, racquetball courts, a dance studio and a natural turf baseball field available to rent.

**Visit [crpd.com/rentals](http://crpd.com/rentals) for rental information.**

## PÉTANQUE (PAY-TONK) COURTS

Similar to bocce ball, pétanque is a form of boules, where the goal is to throw a hollow metal ball as close as possible to a small wooden ball called a cochonnet or jack. The local club, Club Francais De Sacramento, meets at the Mather Sports Complex every Thursday and Sunday at 1 p.m. (10 a.m. June through Sept.) – weather permitting – and invites new players to drop-in! Club Francais de Sacramento also hosts competitive and casual pétanque tournaments at least once a month, among other social events.

**For more information, visit [www.sacramentopetanque.com](http://www.sacramentopetanque.com).**

# PARTY RENTALS

For pricing and availability, call the Hagan Community Center at 916-369-9844 or email [rentals@crpd.com](mailto:rentals@crpd.com)

## WHITE ROCK SPLASH PARK PARTIES

**Time Slots: 5:30 - 7:30 p.m.**

## DEPOSITS

A \$200 cleaning and security deposit is required for the rental of all indoor CRPD facilities. If alcohol is being served, the cleaning and security fee is \$500. Deposit must be received in order to secure date(s). Building deposit will be refunded upon completion of the activity if the respective facility is returned to its original condition. Refund may take up to six (6) weeks for processing if paid by check or cash. Deposits made by credit card will take 2-3 business days to be refunded.

## INSURANCE

All individuals, groups or organizations renting CRPD facilities will need to obtain a certificate of liability insurance in the minimum amount of \$1,000,000, naming the District as co-insured with an additional insured endorsement. Coverage can be obtained through the District's insurance carrier for an additional fee.

For more facility rental information, scan code.

## *Hagan* COMMUNITY CENTER

This location is ideal for wedding receptions, reunions, dances, private parties and other group activities. The buildings are situated in a park setting surrounded by trees, ponds and footbridges which offer splendid scenery and recreational facilities. Picnic areas, tennis courts, playgrounds and ballfields are also nearby.

Email: [rentals@crpd.com](mailto:rentals@crpd.com) or call 916-369-9844

## *White Rock* COMMUNITY CLUBHOUSE

This location is ideal for holding small business meetings or family gatherings. The Clubhouse is situated in a park setting with a small pavilion picnic area, tennis courts playgrounds and a popular children's splash park.

***The White Rock Splash Park can be rented for an additional fee.***

Email: [rentals@crpd.com](mailto:rentals@crpd.com) or call 916-369-9844

## *Neil Orchard* SENIOR ACTIVITIES CENTER

This location is the perfect venue for your family or corporate event. Located next to the beautiful Lincoln Village Community Park. The Center can accommodate everything from an intimate family gathering to large community meetings, wedding receptions, reunions, dances, private parties and other group activities.

Call 916-366-3133

# Picnic & Field RENTALS

**Reservation requests now available online!**  
Visit [crpd.com/rentals/rental-information](http://crpd.com/rentals/rental-information) for more info.

## PAVILION/PICNIC RENTALS

### Reservations available up to 1 year in advance

To reserve a picnic or pavilion area, call the Hagan Community Center at 916-369-9844, email [rentals@crpd.com](mailto:rentals@crpd.com) or reserve online. Daily use fees vary depending on the capacity and size of the picnic/pavilion area. Alcohol is only allowed in the reservable park spaces with a permit. Most parks and picnic areas are on a first-come, first-served basis.

**CRPD recommends reserving the following pavilions and picnic areas in advance.**

### Reservable Pavilion/Picnic Areas Year Round

- Hagan Community Park: Picnic Areas and Pavilion
- Heron Landing Community Park: Pavilion
- Independence Community Park: 3 Small Pavilions
- Labrynth Community Park: Pavilion
- Lincoln Village Community Park: Picnic Area
- Rosemont Community Park: Pavilion
- Stone Creek Community Park: Pavilion and Amphitheater
- Sunridge Park: Pavilion
- The Village Green: Amphitheater
- White Rock Community Park: Pavilion

## ATHLETIC FIELDS

CRPD has a number and variety of athletic facilities for sports practices and conditioning including baseball, softball and soccer. Prices vary. Please contact Mather Sports Center for details, rates and availability at 916-362-1704 or [tpaceallen@crpd.com](mailto:tpaceallen@crpd.com).

### SPECIAL USE PERMITS *(includes commercial use)*

Groups of 150 or more and special events requiring exemptions must secure a Special Use Permit at least 60 days before an event. Additional information and permit applications are available on our resources webpage at [www.crp.com](http://www.crp.com), by calling the Hagan Community Center at 916-369-9844 or emailing [rentals@crpd.com](mailto:rentals@crpd.com).

# *Park* PLANNING

## Get ready for new parks!

With new development in our District comes new parks! Below are a few upcoming parks that are in various stages of park planning and development. For updates, please scan the QR code or visit our website at <https://crpd.com/park-planning-development/construction-projects/>.

### GOLD RUSH PARK

Gold Rush Park is located in the Rio del Oro Development south of White Rock Road. This neighborhood park is centered around a mining theme and includes multiple picnic areas, a gold rush-themed playground, multi-use turf areas, and drought tolerant plantings.

### EXPLORATION PARK

This park will be located in the Sunridge Village development south of Douglas Road. The future neighborhood park includes: a 2-5 age play area, a 5-12 age play area, picnic areas, and multi-use turf. The play area in the center will have artistic, space-themed equipment and climbing structures.

### HUMMINGBIRD PARK

Hummingbird Park is located within the Montelena Development south of Douglas Road. This nature-themed neighborhood park includes a half basketball court, picnic and play areas, and an oval turf gathering space for recreation.

# FACILITY & PARK Directory

Parks and Facilities listed here are located in Rancho Cordova unless otherwise noted. Play structures are present at all parks except Salmon Falls and The Village Green.

33

# REGISTRATION *and* REFUND INFORMATION

## HOW TO REGISTER

### Online Registration

Visit [www.crpdpd.com](http://www.crpdpd.com)

\*Major credit card payments only

### Have Questions?

Visit [crpd.com/register](http://crpd.com/register) for step-by-step guide to registering online

### In-person Registration

**Hagan Community Center** • 2197 Chase Drive  
Monday-Friday • 8 a.m.-5 p.m.

**Neil Orchard Senior Activities Center** • 3480 Routier Rd  
Monday-Friday • 7:30 a.m.-4 p.m. (Friday closes at 3:30 p.m.)

**Mather Sports Complex** • 3755 Schriever Ave  
Monday-Friday • 8 a.m.-10 p.m.  
Saturday & Sunday • 8 a.m.-6 p.m.  
\*Major credit cards, cash or check

### Phone Registration

Call 916-369-9844, 916-366-3133 or 916-362-1704

\*Major credit card payments only

## REFUND PROCEDURE

- Cordova Recreation & Park District (CRPD) reserves the right to cancel, combine or divide classes, change time, date or place of classes, change instructor or make other changes necessary.
- Those who fail to attend a class or "no show" will not be granted a refund. Refunds are only eligible if cancellation is received a minimum of 48 hours prior to the first class, unless otherwise noted.
- If CRPD cancels a class due to low enrollment, a full refund is issued.
- Refunds for cash and check payments will take 4-6 weeks to process.
- Refunds for credit card payments will take 2-3 business days to process.

**WANT TO BECOME A SPONSOR?**

CRPD is focused on community, health and connectivity. What better way to build brand awareness and meaningful relationships with local families than by supporting CRPD's well-attended annual events and programs?

Sponsorships help to ensure the success of these events and bring recognition to your company.

If your company or organization would like more information about our sponsorship program, please contact [communications@crpd.com](mailto:communications@crpd.com) or call 916-842-3318.

## PRE-REGISTRATION IS REQUIRED

Register early! Pre-registration helps us track the number of participants in a class. If the minimum number of students is not met, there is the chance a program will be canceled.

## GIFT CERTIFICATES

Give the gift of health and well-being! CRPD gift certificates can be purchased for any amount and redeemed for any program, class or service.

### Two easy ways to purchase:

- In-person at any of our community centers
- By phone at 916-369-9844

# CORDOVA RECREATION *and* PARKS FOUNDATION

Enriching the lives and communities of our residents through charitable gifts in support of recreation and park programs of the Cordova Recreation & Park District.

## Support Cordova Recreation & Parks Foundation

through AmazonSmile at <https://amzn.to/2xCab60w>.

You shop, Amazon Gives.

## Looking for Board Members!

Learn more and apply at [crpdfoundation.com](http://crpdfoundation.com)

## CRPF FEE ASSISTANCE PROGRAM

We believe everyone should be able to benefit from our programs. Our Fee Assistance Program is here to help you get involved. Fee assistance is available to all who meet the following criteria:

- Resident of Cordova Recreation & Park District
- Can demonstrate a financial need that prevents the individual from participation in CRPD programs
- Complete and return an application form at least 10 days prior to start of program. Forms are available at the CRPD District Office, at all locations and online

Fee assistance is available to those who qualify as long as funds are available. Call **916-369-9844** or visit the Forms page at [crpd.com](http://crpd.com) for an application.

Want to help us assist those in need? Donations can be made online or at any CRPD location.

Learn more at <https://crpdfoundation.com>

## Community Spotlight Photo Contest

We called and you delivered! Due to an overwhelming community support, we are excited to announce our second photography contest! This next photography contest is all about capturing your take on multigeneration as it relates to parks, recreation and/or golf!

We want you to capture the wonders and uniqueness of multiple generations within Sacramento County\* through your camera lens. This could be of people of various ages playing at any of the 43 parks, playing golf, engaging in the many arts and sports programs offered by Cordova Recreation & Park District.

Learn more and submit your photos at <https://bit.ly/304LiDY> or by scanning the QR Code.

## Winner Shoutout!

We are excited to announce that Kristy Hartmann is the winner of the Community Spotlight Photo Contest! The winning photo is on the cover of this Recreation Guide.

"My son has been playing soccer through the Rancho Cordova Soccer Club for the past few years, and he has learned so much about teamwork and good sportsmanship by being on a team. After each game, the parents come together to make a "cheer tunnel", and no matter how tired the kids were during the game, or how many boo-boos and tears occurred on the field, the kids immediately became happy and felt proud of themselves whenever they ran through the cheer tunnel." - Kristy Hartmann

\*Includes the City of Rancho Cordova and the communities of Gold River, Larchmont, Mather, Riviera East and Rosemont East and additional incorporated communities within Sacramento County.

# **Appendix D**

Detailed Facility and Park Assessments  
CRPD Strategic Master Plan  
January 2012

### **1.1.1 AHLSTROM PARK**

#### **1.1.1.1 OVERVIEW**

Ahlstrom Park is a 7 acre neighborhood park (6.8 acres irrigated) located adjacent to an elementary school. Overall the image value of the park is clean and open, with excellent visibility. Safety lighting is available in the park and no safety issues were identified during the assessment. There is turf coverage throughout the park with the condition being classified as fair. The park has signage; however there is some damage to the signage and a need for design standards and uniformity. Parking is located along the street and the interior pedestrian trail allows for good circulation. The park is not located along a hike or bike trail. The vegetation throughout the park is mature and in good condition with some younger trees. Maintenance at the site is good.

#### **1.1.1.2 MAJOR ASSETS**

- Playground Area – 1 Playground Area with a lifecycle of level 1 to early level 2. Its approximate area is 48 feet by 55 feet with a curb and a mow strip. There are play structures for ages 6 to 12 and 2 to 6 (see **Figure 1**). The play area does have an ADA accessible ramp; however the lip of the ramp would be difficult for a wheelchair to maneuver (see **Figure 2**). The surface of the play area is fibar, but additional material is needed as it does not meet the recommended 12 inch minimum depth. The play area has 1 trash receptacle.
- Diamond Field; 1 Non-Mounded, Youth – Small baseball field (sixty foot base paths with a center field depth of 205 feet) with full 6 feet high dimensional fencing (see **Figure 3**). Edging of the field is marginal, and the infield is partially skinned. Player areas are covered and have signs of graffiti (see **Figure 4**). There are 6 sets of spectator seating; 2 are metal 3 rows bleachers and 4 are wooden 3 rows bleachers that are past their useful life and need to be replaced (see **Figure 5**).
- Benches – 2 benches around the playground area
- Trail Area – 515 feet of asphalt pathway (see **Figure 6**) and 6 foot wide concrete pathway being 361 feet in length with safety lighting (see **Figure 7**)
- Picnic Area – 1 picnic table on a concrete pad site
- Group Picnic Area – 3 concrete picnic areas with one being ADA accessible. Pad sites are approximately 10 feet by 16 feet with one new concrete picnic table and barbeque pit
- Park Bench Area – 2 new metal park benches on concrete pads of 5 x 12 feet

**Figure 1 – Playground Structures**

**Figure 2 – Playground Area Lip**

**Figure 3 – Baseball Field**

**Figure 4 - Graffiti**

**Figure 5 – Damage to Bleachers**

**Figure 6 - Trail**

**Figure 7 – Safety Lighting**

## Appendix 2 – Detailed Facility and Park Assessments

### CRPD Strategic Master Plan

- Trash Receptacle – 3 new thirty gallon cans and four thirty-three gallon barrels (see Figure 8)
- Water Fountain – 1 new ADA accessible drinking fountain and one older drinking fountain (see Figure 9)
- Dog Waste Station – two newer dog waste stations
- Irrigation Pump House – twelve feet by twelve feet irrigation pump house with two pump controllers.
- Wooden Park Sign – Damage to the left side (see Figure 10)

#### 1.1.1.3 RECOMMENDATIONS

- Extend trail to neighborhood connector and to school facilities
- Park needs to be energized, recent improvements are a good start
- Design standards throughout the park for furniture, signage and assets
- Fix the lip on the playground, replace bleachers, replace sign with design standard signage
- Graffiti removal

#### 1.1.2 ALEXANDER BIKE TRAIL

##### 1.1.2.1 OVERVIEW

The Alexander Bike Trail is a new 2.49 acre special use area along the side of the Alexander development (see Figure 11). It has a 0.245 mile asphalt bike trail segment. It is richly landscaped and the overall aesthetic of the site is excellent. It will become a neighborhood connector to the Stone Creek Community Park. Safety lighting exists and no safety issues were observed during the assessment. Maintenance at the site is good.

##### 1.1.2.2 MAJOR ASSETS

- Trail – 0.245 miles of divided lane asphalt bike trail (see Figure 12)
- Benches – 3 metal benches (see Figure 13 )

##### 1.1.2.3 RECOMMENDATIONS

- Extend the trail to Stone Creek
- Design standards throughout the site for furniture, signage and assets
- Add distance markers along the trail and directions to district facilities

Figure 8 – Garbage Can

Figure 9 – Drinking Fountain

Figure 10 – Park Sign Damage

Figure 11 – Site Aerial

Figure 12 – Trail Segment

Figure 13 – Metal Benches

### 1.1.3 ANATOLIA BIKE TRAIL

#### 1.1.3.1 OVERVIEW

The Anatolia Bike Trail is a new special use area along the side of part of the Anatolia development, bordering the AKT Communities Wetland Preserve and is approximately 4.6 acres in size (see **Figure 14**). It has a 1.078 mile asphalt bike trail segment that runs the length. It is richly landscaped (see **Figure 15**) and the overall aesthetic of the site is excellent. It serves as a neighborhood connector to the Sandpiper Neighborhood Park. Safety lighting exists and no safety issues were observed during the assessment.

#### 1.1.3.2 MAJOR ASSETS

- Trail – 0.245 miles of divided lane asphalt bike trail (see **Figure 16**)
- Benches – 4 metal benches (see **Figure 17**)
- Trash Receptacle – 4 metal trash cans

#### 1.1.3.3 RECOMMENDATIONS

- Extend the trail on the east to Rancho Cordova Boulevard, as a make-shift trail has been created by the trail users
- Design standards throughout the site for furniture, signage and assets
- Add distance markers along the trail and directions to district facilities
- Add water fountains at endpoints along the trail
- Add additional informational signage about the wetlands / vernal pools
- Explore opportunities to expand natural trails into the vernal pool

### 1.1.4 ARGONAUT PARK

#### 1.1.4.1 OVERVIEW

Argonaut Park is a new irrigated 5.9 acre neighborhood park (see **Figure 18**) located adjacent to an elementary school. Overall the park image is clean and open with, with excellent visibility. Safety lighting is available in the park and no safety issues were identified during the assessment. Turf coverage existing throughout the park and the condition is good, though there is too much turf. The park has signage however there is a need for design standards and uniformity. Parking is located along the street and the interior and exterior pedestrian trails allow for excellent circulation. The park is not located along a hike or bike trail. Vegetation through the park is young with a need for maturity and additional trees (see **Figure 19**), but overall is excellent and rich. Throughout the park,

Figure 14 – Trail Segment

Figure 15 – Landscaping

Figure 16 – Divided Bike Lanes

Figure 17 – Bench and Can

Figure 18 – Entrance Signage

Figure 19 – Young Trees

all assets are lifecycle stage 1. The park is well utilized by the elementary students during the day and is well connected to the neighborhood. Maintenance at the site is good.

#### **1.1.4.2 MAJOR ASSETS**

- Playground Area – 2 playground areas exist, one with play equipment for ages 2 to 6 (**see Figure 20**) and the other with plastic rock climbers (**see Figure 21**) and a single bay swing set with strap seats. Some graffiti exists on the rock climbers.
- Diamond Field; Non-Mounded – Small – 1 small non-lighted, irrigated, and non-engineered softball field with a backstop and 8 feet high player area fencing (**see Figure 22**). No dimensional fencing exists. The infield is skinned and the player areas each have 2 metal benches.
- Pavilion; Small – 1 small picnic pavilion with 4 metal picnic tables 8 feet in length (1 ADA), and a power outlet. There are also 2 large BBQ pits located adjacent to the pavilion.
- Trail - 0.119 miles of concrete interior and exterior pedestrian circulation trail that is 6 feet and 8 feet in width.
- Water Fountain – 1 new ADA accessible drinking fountain and a dog friendly drinking fountain at the base (**see Figure 23**)
- Basketball Court – Half court, painted concrete basketball court with an attached multicourt (**see Figure 24**)
- Picnic Tables – 2 metal picnic tables 8 feet in length (**see Figure 25**)
- Benches – 6 green metal benches with concrete pads (**see Figure 26**)
- Park signage – Concrete park entrance signage
- Bike Rack – 1 bike rack
- Trash Receptacle – 4 metal 30 gallon trash containers

**Figure 20 – Playground**

**Figure 21 – Rock Climbers**

**Figure 22 – Softball Field**

**Figure 23 – Water Fountain**

**Figure 24 – Sport Court**

**Figure 25 – Picnic Tables**

#### 1.1.4.3 RECOMMENDATIONS

- Plant additional fast growing trees in the park
- Design standards throughout the site for furniture, signage and assets, could immediately paint tales, benches and trash cans a similar color
- Add distance markers along the trail to add fitness functionality
- Expand vegetative cover to the western portions of the park to match those along the school to reduce unused grass areas
- Additional assets (such as bistro tables similar to The Village Green Park) could be placed in the park in the unused area

#### 1.1.5 COUNTRYSIDE PARK

##### 1.1.5.1 OVERVIEW

Countryside Park is an older, irrigated 2 acre neighborhood park (see **Figure 27**) that is located adjacent to an elementary school. The park is well connected with the neighborhood and is not connected to a hike or bike trail. Parking is located along the street and a new concrete pedestrian circulation trail functions well connecting the interior assets. There is also a nearby transit stop. There is a security light and spill- over from street lighting. There are a few trees in the park, but additional vegetation should be explored to reduce turf coverage. Overall the image of the park is clean and safe with good visibility, and the park is a good fit with the neighborhood. Maintenance at the site is good.

##### 1.1.5.2 MAJOR ASSETS

- Playground Area – One playground area for ages 6 to 12 that is in lifecycle stage 2 (see **Figure 28**). Entire surface of playground has a need for additional fibar (see **Figure 29**). Playground has a concrete ring and is approximately 75 feet by 40 feet in area.
- Picnic Areas – 3 picnic areas exist, 2 are individual concrete tables (see **Figure 30**) with concrete pads and 1 (ADA accessible) concrete table is located adjacent to the playground area. Picnic tables need to be painted

**Figure 26 – Bench and Can**

**Figure 27 – Entrance Signage**

**Figure 28 – Playground Area**

**Figure 29 – Fibar Needed**

**Figure 29 – Picnic Area**

**Figure 30 – Fountain (pre-trail)**

and some damage exists. Overall lifecycle stage 2. Each individual table has a BBQ pit in fair condition.

- Water Fountain – 1 ADA accessible drinking fountain located adjacent to the playground area (see Figure 31, trail has been extended to fountain)
- Open Turf Area – Large open turf area could be converted into a small multipurpose field (see Figure 32)
- Trail – 313 feet of concrete pathway that has been recently installed
- Benches – 1 Metal bench adjacent to the playground area lifecycle stage 2
- Trash Receptacles – 3 30 gallon barrel exist for trash container and are unsightly and should be replaced

**Figure 31 – Open Field**

### 1.1.5.3 RECOMMENDATIONS

- The entire park needs to be re-energized. The addition of the trail is a start.
- Design standards throughout the site for furniture, signage and assets, could immediately paint tables, benches and trash cans a similar color
- Reduce the amount of turf with landscaping similar to other newer Re-paint the concrete picnic tables and bench but look to replace in the future, bollards also need to be painted, Replace the playground equipment in the future
- Fix leaking water fountain (see Figure 33)

**Figure 32 – Fountain Leak**

## 1.1.6 DAVE ROBERTS COMMUNITY PARK

### 1.1.6.1 OVERVIEW

Dave Roberts Community Park is a 13 acre park site (see Figure 34) with 11.85 acres irrigated that is located adjacent to a Middle School and an elementary school (see Figure 35). Overall the park is feels disjointed and the assets are misplaced. Connection to the neighborhood is fair and there is off-street parking available. There is pedestrian circulation to the adjoining neighborhoods, however is connects the neighborhoods rather than the park assets. Additional trails should be installed at this location. There were many people using the park during the assessment, nearly all with dogs. Security lighting does exist in the park. The trail around the playground area poses a safety hazard. Vegetation is mature and there is lots of turf, in fair quality. Visibility across the site is good.

**Figure 33 – Entrance Signage**

**Figure 35 – Schools and Park**

**Figure 34 – Playground Area**

**Figure 36 – Tennis Courts**

- Tennis Courts – 4 tennis courts in lifecycle stage 3 that should be resurfaced or removed, as the fit within the park is not amenable (**see Figure 37**)
- Trail – 0.152 miles of asphalt trail that is in lifecycle stage 3 and needs to be replaced (**see Figure 38**). 2 Dog waste stations exist along the trail.
- Diamond Field; Non-Mounded – Large – 1 large irrigated, lighted, non-engineered softball field with backstop and players areas (**see Figure 39**). The backstop needs to be replaced. Fencing exists along the baselines only and 150 feet of the outfield. Edging along the field is marginal and needs to be re-cut. There is also a 5 rows metal bleacher in fair condition.
- Multipurpose Fields – Large – 1 regulation sized multipurpose field with soccer goals. The playing surface of the field needs to be re-graded
- Parking Lot – Asphalt parking area with space for 23 vehicles. The parking lot needs to be resurfaced and is approximately 7,820 square feet in size.
- Water Fountain – 1 working water fountain (**see Figure 40**) and 1 non-functioning water fountain (**see Figure 41**)

#### 1.1.6.3 RECOMMENDATIONS

- Good candidate for a fitness trail and a dog park, replace the existing trail
- Remove or resurface the tennis courts and multipurpose field
- Work with school to create a signature diamond field complex
- Design standards throughout the site for furniture, signage and assets

#### 1.1.7 EAGLE'S NEST PARK

##### 1.1.7.1 OVERVIEW

Eagle's Nest Park is a newer 3.7 acre Neighborhood Park (**see Figure 42**) that serves as a court sport area. The park is in lifecycle 1 and is a great fit to the neighborhood and clubhouse. Visibility across of the park is excellent. The park is well connected to the neighborhood and is not connected to a hike or bike trail. There is off-street parking available in conjunction with the clubhouse. Security lights are present along the circulation trail and no safety issues were observed during the assessment. Vegetation in the park is good (**see Figure 43**) and could be expanded, possibly to include additional trees. Overall the image of the park is clean and safe with good visibility, Maintenance at the site is good.

##### 1.1.7.2 MAJOR ASSETS

**Figure 37 – Asphalt Trail**

**Figure 38 – Schools and Park**

**Figure 39 – Water Fountain**

**Figure 40 – Old Water Fountain**

**Figure 41 – Entrance Signage**

**Figure 42 – Vegetation**

**Figure 43 – Basketball Court**

**Figure 44 – Tennis Courts**

## Appendix 2 – Detailed Facility and Park Assessments

### CRPD Strategic Master Plan

January 2012

- Basketball Court – 1 full sized, lighted basketball court with fencing surround in excellent condition (see Figure 44)
- Tennis Courts – 2 lighted tennis courts in excellent condition with metal benches (see Figure 45)
- Playground Area – 2 playground areas, 1 each for each age groups 2 to 5 and 6 to 12 (see Figure 46). Both are in excellent condition, ADA accessible and have an adequate amount of fibar surface
- Pavilion; Small – 1 small pavilion with 4 metal picnic tables and 3 BBQ grills (see Figure 47)
- Water Fountains – 2 ADA accessible drinking fountains
- Benches – 2 newer metal benches
- Trash Receptacles – 4 newer metal trash containers
- Bike Rack – 1 Bike Rack
- Park Entrance Signage – 1 stucco and brick entrance sign
- Open Play Field – 1 open play field

#### 1.1.7.3 RECOMMENDATIONS

- Design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Convert open field area into a dedicated small multipurpose field

#### 1.1.8 FEDERSPIEL PARK

##### 1.1.8.1 OVERVIEW

Federspiel Park is an older 5 acre neighborhood park (see Figure 48) that serves as essentially two parks separated by a roadway located adjacent to an elementary school. The park is in lifecycle stage 2 and serves as a good fit within the neighborhood. Overall it is a clean site with good visibility and no safety issues were observed during the assessment. Maintenance throughout the site was good. Vegetation within the park is health and mature. Safety lighting does not exist at this site. Pedestrian circulation and signage through the site is lacking. Parking is located along the street, and no transit stops were identified.

##### 1.1.8.2 MAJOR ASSETS

- Multipurpose Field; Small – 1 multipurpose field that could potentially accommodate regulation play. Field is unlit, non-engineered and is irrigated. Overall the turf quality of the field is uneven and in need of grading and reseeded (see Figure 49).

Figure 45 – Playground Area

Figure 46 – Small Pavilion

Figure 47 – Entrance Signage

Figure 49 Multipurpose Field

Figure 50 – Playground Area

Figure 48 – Trail

- Playground Area – 1 playground area with equipment for ages 2 to 6 in lifecycle stage 2 (see Figure 50). The surface of the playground area is fibar and has been recently refilled. There is a double bay swing set with strap 2 seats and 2 bucket seats that is showing signs of typical wear. The area is in need of a circulation trail and is part of the districts improvement plan.
- Trail – 0.19 miles of asphalt trail in poor condition (see Figure 51) linking the closed restroom facilities with the exterior sidewalk.
- Water Fountain – 2 waters fountain located at the site, 1 not working
- Picnic Areas – 3 picnic areas on concrete pads with concrete tables and 2 with BBQ pits (see Figure 52)
- Bench – One bench located near the playground area
- Trash Receptacles – 4 barrel trash containers
- Restroom – 1 former aquatic facility restroom area –closed- (see Figure 53)

#### 1.1.8.3 RECOMMENDATIONS

- Design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Improve the multipurpose field to a regulation field
- Remove the existing trail and build a looping trail to the playground area
- Landscape the area around the playground similar to other newer parks in the district to remove excess turf
- Remove or improve the restroom facility

#### 1.1.9 GOLD RIVER PARK

##### 1.1.9.1 OVERVIEW

Gold River Park is an older 4 acre neighborhood park (see Figure 54) with 3.79 acres irrigated that is located adjacent to an elementary school. The overall image value of the park is good and visibility throughout the park is fair. The site is located next to a neighborhood pedestrian trail link that enhances the connectivity to the neighborhood. Overall the park is in lifecycle stage 2. Maintenance at the site was good. Vegetation within the park is mature and in good health and the turf quality is fair. Safety lighting does exist around the playground area and along the trail. Information signage at the park is an excellent addition. Parking is located along the street with overflow parking at the elementary school lot.

##### 1.1.9.2 MAJOR ASSETS

**Figure 49 – Picnic Area**

**Figure 50 – Closed Restroom**

**Figure 51 – Entrance Signage**

**Figure 55 - Trail**

**Figure 56 – Playground Area**

- Trail – Overall there is 0.104 miles of trail within the park being a concrete trail from the school to the playground 8 feet in width, the exterior concrete trail and the asphalt trail to the bike trail at 10 feet in width (**see Figure 55**). 1 dog waste station exists along the trail.
- Playground Area – 1 Playground Area in lifecycle stage 1 (**see Figure 56**) with play equipment for ages 2 to 6 and a double bay swing set with 2 belt and 2 bucket seats. A climbing gym and balance beam also exists in the area.
- Picnic Areas – 4 picnic areas with concrete pad sites and concrete tables in lifecycle stage 2 (**see Figure 57**) with BBQ pits.
- Multipurpose Field – Small – 1 Small multipurpose field with soccer goals (**see Figure 58**).
- Trash Recepticals – 5 trash containers exist and are metal 33 gallon barrels.
- Bike Racks – 2 bike racks exist on site
- Bench – 1 metal bench
- Water Fountain – 1 older, functioning metal water fountain
- Informational Signage – Exists heading to the bike trail (**see Figure 59**).

#### 1.1.9.3 RECOMMENDATIONS

- Design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Reseed the multipurpose field
- Landscape the area around the multipurpose similar to other newer parks in the district to remove excess turf
- Continue concrete trail along school to make a loop trail and add distance markers

### 1.1.10 GOLD STATION PARK

#### 1.1.10.1 OVERVIEW

Gold Station is a 3 acre neighborhood park (**see Figure 60**) with 2.87 acres irrigated. The park is an excellent fit within the neighborhood and has a good pedestrian circulation trail on the inside and exterior of the park. The image of the park is excellent and the landscaping is good with mature trees and good turf. The site is not connected to a hike or bike trail, though there is a trail in the area, and no transit stops were identified during the assessment. Parking is street-side and internal to the neighborhood. Maintenance at the site was fair, with issues on the water fountain, playground and picnic areas. Overall the park is in lifecycle stage 2, and while the assets are aging the design of the park is good. Safety lighting exists at the park but could be expanded.

#### 1.1.10.2 MAJOR ASSETS

**Figure 52 – Picnic Area**

**Figure 53 – Small Field**

**Figure 54 – Information Sign**

**Figure 55 – Entrance Signage**

**Figure 561 – Playground Area**

**Figure 62 – Trail**

- Playground Area – 1 playground area with structures for all ages (**see Figure 61**). The surface of the playground area is fibar and has been recently refilled. The lifecycle of the playground is stage 2 and repairs should be made to rusted metal on the structure and it should be repainted.
- Trail – 0.311 miles of 5 feet wide concrete trail exists around the exterior of the park and surround the playground and multipurpose field (**see Figure 62**). 2 dog waste stations exist along the trail.
- Multipurpose Field – Small – 1 small irrigated, non-lighted and non-engineered multipurpose field with misaligned soccer goals exists (**see Figure 63**) and the turf quality is good, though the field is not leveled.
- Picnic Areas – 2 picnic areas with concrete pad sites, concrete tables, metal trash barrels and BBQ pits. The tables have damage and are lifecycle stage 3 and should be replaced (**see Figure 64**).
- Water Fountain – 1 older ADA accessible metal water fountain that is leaking at the base and should be repaired (**see Figure 65**).
- Trash Receptacles – 4 barrel trash cans exist and detract from the value of the site and should be replaced with permanent metal containers.

---

#### 1.1.10.3 RECOMMENDATIONS

- Design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Landscape the area around the multipurpose similar to other newer parks in the district to remove excess turf
- Add distance markers along the trail for a fitness path
- Repair and/or slate for replacement of the damaged assets

---

#### 1.1.11 GREENBELT

---

##### 1.1.11.1 OVERVIEW

The Green Belt is a new 18.02 acre special use area (**See Figure 66**) that acts as a drainage channel and a hike/bike connectors from Stone Creek Community Park to Tuscany Park and beyond to the surround neighborhoods. The overall value of the site is excellent and is a good source of open space and visual aesthetic to neighbors. Vegetation throughout the site is young and plentiful, with a good design of vegetation beds to reduce turf coverage and a good quality of existing turf. The lifecycle stage of the site is level 1 and the picnic areas are a good standard to set for other parks within the system. Limited safety lighting exists and should be expanded upon throughout the site. Other safety concerns were not discovered at this site.

**Figure 57 – Multipurpose Field**

**Figure 58 – Picnic Tables**

**Figure 59 - Water Fountain**

**Figure 66 – Greenbelt**

**Figure 67 – Bike Lanes**

## Appendix 2 – Detailed Facility and Park Assessments

### CRPD Strategic Master Plan

#### 1.1.11.2 MAJOR ASSETS

- Trail – 0.150 miles of divided asphalt bike trail (See Figure 67) with appropriate traffic signage (See Figure 68)
- Picnic Areas – 6 concrete picnic pad sites with in-ground metal tables, 2 ADA accessible (See Figure 69)

#### 1.1.11.3 RECOMMENDATIONS

- Add distance markers along the trail and directional signage to assets.
- Site would be a good candidate for placement of additional small assets such as a playground, small reservable picnic pavilion, or group picnic areas.
- Design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system. This is a good site to utilize as a baseline for future picnic area sites and vegetative cover.
- Add additional security lighting

### 1.1.12 HAGAN COMMUNITY PARK

#### 1.1.12.1 OVERVIEW

Hagan Community Park is an older 80 acre community park (60 acres irrigated) that serves as the flagship park of the district (see Figure 70). The visual aspect of the park is what is expected in a historical type park with mature vegetation and in a key setting along the American River. The park itself has a large number of assets in various life cycles with most being in good condition or poor condition. The park also houses the District Offices and meeting facilities and is utilized heavily. Hagan is situated adjacent to a high school and the school uses its assets during the day. Night time safety is a concern at this location and though the park closes at dusk, it remains busy. Theft has also occurred at both the district offices and in the maintenance yard, despite security efforts. Other safety concerns exist at the site, including visually pleasing water hazards (see Figure 71), trains and aging assets. The turf quality is fair with areas that need to be graded or reseeded. Directional, informational and regulatory signage exists within the park but does need to be expanded due to the sheer size of the facility. The site itself is a destination of sorts for wildlife which also attracts visitors and could be a regional attraction if developed. The area has several parking lots with ADA accessibility and extensive circulation trails, in varying lifecycles of stage 1 and stage 3. The location of the park is not typical of community centers, with almost a tucked in a neighborhood feeling. Maintenance of the site is good, with most assets needing either replacement or a fresh coat of paint.

Figure 68 – Traffic Signage

Figure 69 – Picnic Area

Figure 60 – Signage

Figure 61 - Water Feature

#### **1.1.12.2 MAJOR ASSETS**

- Building Space – 25,429 square feet of office, meeting, storage and ancillary function building space. Most buildings are in lifecycle stage 2 nearing stage 3, though they are neatly maintained (see **Figure 72**).
- Tennis Courts – 4 lit tennis courts (see **Figure 73**) adjacent to the school's 4 non-lighted tennis courts. The surfaces of the tennis courts are fair, with decent drainage and are showing some cracking (main cracks, not spider cracking) and the fencing is showing signs of aging. The nets are taut and are in good shape showing no cuts or rips. Could install wind shields around the courts. Courts are ADA accessible and benches are available at each court. There is also a water fountain located at the court that needs to be replaced.
- Maintenance Yard – The maintenance yard has an office building with 3 offices, conference room and a restroom. Additional buildings include mechanics building, special projects building, pole barn, breakroom building and storage facilities. On site are gas tanks, sand and gravel bays, and a grease pit. The area is fenced with razor wire and full lighted. There are 7 security cameras in place to deter theft. This is the only maintenance yard for the district and difficult to keep up with maintenance tasks not being centrally located. There is a trail that runs along the yard and the high school connecting the neighborhood to the park
- Playground Areas – 3 playground areas, all lined with fibar and 2 ringed with concrete. One playground has a 2 bay swing set with 2 belt swings and 2 bucket swings adjacent to a group picnic area. The surface is fibar and is filled to the correct depth. The lifecycle of the playground area is stage 2. Nearby there is a drinking fountain. The second playground area has a structure for ages 2 to 5 and a 2 bay swing set with 2 belt swings a 2 bucket swings (see **Figure 74**). The last playground area has a 2 bay swing set with 4 belt swings, a slide, a tunnel and a jungle-gym and is fenced (see **Figure 75**).
- Trails – 1.125 miles of trail that is mostly in lifecycle 3 and is in need of replacement. The asphalt is buckling and shifting, causing standing water (see **Figure 76**).
- Group Picnic Areas – 10 group picnic areas with mixture of concrete and natural surface pad sites (see **Figure 77**). Most of the tables are concrete with the newer sites being metal tables.
- Picnic Areas – 15 individual picnic areas with mixture of concrete and natural surface pad sites (see **Figure 78**). Most of the tables are concrete with the newer sites being metal tables.

**Figure 62 – Park Buildings**

**Figure 63 – Tennis Courts**

**Figure 64 – Playground Area 2**

**Figure 65 – Playground Area 3**

**Figure 66 – Trail Damage**

**Figure 67 – Group Picnic Area**

- Benches – 34 benches made of a mixture of materials including concrete, metal, wood, fiberglass and blocks. There is a need for design standards regarding benches.
- Trash Receptacles – 54 trash containers with the bulk being metal barrel cans that should be replaced with a design standard container.
- BBQ Grills – 6 large BBQ grills and 7 small BBQ grills
- Bleachers – 1 metal 7 rows bleacher, 5 metal 3 rows bleachers, 1 metal 10 rows bleacher, 6 wooden 5 row bleachers that need to be replaced (**see Figure 79**)
- Drinking Fountains – 6 drinking fountains, with 2 ADA and dog friendly drinking fountains
- Multipurpose Fields – Large – 2 Large multipurpose Fields
- Multipurpose Fields – Small – 1 small multipurpose field
- Diamond Field; Mounded – Large – 3 large baseball fields. Peterson field (**see Figure 80**) has a backstop, chain link wing fencing, dugouts with player benches, pitching warm-up area, batting cage, electronic scoreboard, concessions building, flag pole, foul poles, and 6 feet high dimensional outfield fencing. It is an un-lighted, irrigated, engineered field. Sullivan field has a backstop, chain link wing fencing, dugouts with player benches, pitching warm-up area. It is an un-lighted, irrigated, engineered field. The third field has a backstop, pitching warm-up area and skinned infield. It is an un-lighted, irrigated, non-engineered field.
- Basketball Court – 1 full size basketball court with a concrete surface that is in poor condition and it holds water; needs to be replaced (**see Figure 81**).
- Kiosk and Message Boards– 1 informational kiosk and 2 message boards
- Shuffle Board Court – 1 Shuffle Board Court
- Horse Shoe Pits – 2 horse shoe pits
- Aquatic Center – 3 swimming pools, 1 is issued for removal. Pool area 1 is 5 feet to 12 feet in depth and is a diving pool. Pool area 2 is a 3 feet to 5 feet depth competition pool (**see Figure 82**). There is a life guard building with offices and a restroom building with showers.
- Restrooms – 1 concrete restroom building and 1 wooden restroom building
- Parking Lots – 6 parking areas with 382 parking spaces and 11 ADA compliant parking spaces
- Petting Zoo – 1 petting zoo with free public access run by volunteers that is comprised of a barn and small fenced pasture are.
- Train Area – Train switching yard housing the train cars that utilize the park and the track running through the park. The track is a safety hazard and crosses paths without warning signs (**see Figure 83**).
- Memorial Plaques – 6 brass memorial plaques

**Figure 68 – Picnic Area**

**Figure 69 – Wooden Bleachers**

**Figure 71 – Basketball Court**

**Figure 72 – Swimming Pool**

**Figure 73 – Train Tracks**

- Memorial Grove – 1 small memorial grove
- Entrance Sign – 1 wooden sign
- Dog Park – 1 new dog park

---

#### 1.1.12.3 RECOMMENDATIONS

- Light the diamond fields
- Add night time security measures such as entrance motion cameras
- Reenergize the park by following design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Landscape the area around the multipurpose similar to other newer parks in the district to remove excess turf
- Add distance markers along the trail for a fitness path
- Repair and/or slate for replacement of the damaged assets

### **1.1.13 HENLEY PARK**

#### **1.1.13.1 OVERVIEW**

Henley Park is a 0.5 acre neighborhood park with 0.4 acres irrigated. Overall the park is and feels small. It is mostly open across the park with a mixture of mature and young vegetation (see **Figure 84**). The site is well connected with the neighborhood and is not connected to a hike or bike trail. There is no inner connectivity within the park and a small trail segment is needed. Parking is street side only, and the site is not near a school. Maintenance at the park is good. There is a need for additional shading around the playground area. Signage exists in the park and security lighting is present. There are issues with graffiti at this location (see **Figure 85**).

#### **1.1.13.2 MAJOR ASSETS**

- Playground Area – 1 playground area with an age 6 to 12 structure (see **Figure 86**) in lifecycle stage 2 with fibar surface that is below the recommended 12 inch minimum. There is also a single bay swing set with 2 bucket swings. Entrance ramp needs sloped ends (see **Figure 87**).
- Bench – 1 bench adjacent to the playground.
- Picnic Area – 1 picnic pad site 12 feet by 15 feet in size with a concrete picnic table, a BBQ pit and a 33 gallon trash barrel.

#### **1.1.13.3 RECOMMENDATIONS**

- Review graffiti policy and address as needed
- Reenergize the park by following design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Landscape the area around the multipurpose similar to other newer parks in the district to remove excess turf
- Add short trail segment to connect picnic area with playground to sidewalk

**Figure 74 – Vegetation**

**Figure 75 – Graffiti**

**Figure 76 – Playground Area**

**Figure 77 - Water Fountain**

### **1.1.14 INDEPENDENCE PARK**

#### **1.1.14.1 OVERVIEW**

Independence Park is a 12 acre Community Park (11.0 acres irrigated) located adjacent to an elementary school. The park itself is comprised of 3 pieces and feels disjointed as it is hard to tell what portion is the school and what is the park. The overall image value of the park is good and there is good visibility across the site. The park is near a hike or bike trail and itself has a good looping trail that could be extended through the site either up the alley or across school property. There are safety concerns in the playground areas with a lack of fibar as bare dirt is showing. Other than some painting necessary in certain areas, maintenance is otherwise good. Vegetation in the park is minimal and should be increased with more trees and less turf coverage. The existing turf quality is fair. The park is well connected to the neighborhood and in a good setting. There is off-street parking available.

#### **1.1.14.2 MAJOR ASSETS**

- Multipurpose Field - Large – 1 large multipurpose field with a diamond field overlay that is non-engineered, irrigated and non-lighted (**see Figure 88**).
- Playground Areas – 2 playground areas, 1 each for 2 to 5 years of age (**see Figure 89**) and 6 to 12 years of age (**see Figure 90**), which also has a single bay swing set with two belt seats. The Playground areas are ADA accessible however there is a need to refill the fibar surface (**see Figure 91**). Both structures are lifecycle 1 to early 2.
- Group Picnic Areas – 3 picnic shelters with 2 tables each (**see Figure 92**), there is a need to paint the shade structures
- Trail – 1.495 miles of hard/soft surface trail in good condition or lifecycle 1
- Picnic Areas – 16 individual concrete picnic tables on concrete pads (**see Figure 93**)
- BBQ Grills – 4 BBQ grills near the picnic tables
- Water Fountain – 1 ADA accessible water fountain

#### **1.1.14.3 RECOMMENDATIONS**

- Reenergize the park by following design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Landscape the area around the multipurpose similar to other newer parks in the district to remove excess turf
- Add short trail segment to complete loop trail and add distance markers
- Refill fibar surfaces in playground areas
- Repaint shelters

**Figure 78 – Multipurpose Field**

**Figure 79 – Playground Area 1**

**Figure 80 – Playground Area 2**

**Figure 81 – Fibar Refill**

**Figure 82 – Group Picnic Area**

**Figure 83 – Picnic Area**

- Add additional trees around the picnic tables to the west

### 1.1.15 LARCHMONT COMMUNITY PARK

#### 1.1.15.1 OVERVIEW

Larchmont Community Park is a 14 acre Community Park (13.16 acres irrigated) located next to an elementary school. Overall the park has a good image and is well situated in the neighborhood. It is adjacent to the American River Bike Trail but could be officially connected very easily, away from existing houses. Visibility is good across the park with limited blind spots. Connection to the neighborhood is fair and could be improved upon with the addition of more trails throughout the site. This park would be a good candidate for a fitness trail surrounding the multipurpose fields that could also serve as pedestrian circulation to access the fields. Parking is off-street with approximately 30 spaces, 2 ADA spaces, and there is some on-street space for parking. Safety lighting exists along the trail and could be extended throughout the park with additional trails. Signage throughout the park is poor and needs to be improved. Maintenance is good, with most areas properly edged and attempts to control weeds.

#### 1.1.15.2 MAJOR ASSETS

- Playground Area – 1 playground area with main structure geared for ages 2 to 5 and 6 to 12 (**see Figure 94**). The surface is fibar and needs to be refilled. The play structure itself is in good shape and is lifecycle 2. The playground is ADA accessible but the structure is not universally accessible.
- Tennis Courts – 2 lighted tennis courts in lifecycle stage 3 that need to be resurfaced and have the fencing reinstalled (**see Figure 95**). In addition there needs to be windscreens added to the tennis courts.
- Multipurpose Fields - Large – 1 large multipurpose field that is non-engineered, irrigated and non-lighted and is in lifecycle stage 2 (**see Figure 96**). Turf coverage is good but appears to lean. 2 small multipurpose fields that are non-engineered, irrigated and non-lighted and are in lifecycle stage 2. Turf coverage is good (**see Figure 97**).
- Trail – 0.136 miles of asphalt and natural surface trail that is in fair condition. The natural surface trail has been made by the public as an access to the neighboring bike trail and is a nuisance to adjacent homes (**see Figure 98**). Pet waste station exists along the trail.
- Group Picnic Area – 1 group picnic area with a concrete surface and 3 concrete picnic tables in lifecycle 3 (**see Figure 99**).
- BBQ Grills - 2 BBQ grills exist at the group picnic area.
- Trash Receptacles - 9 metal barrel trash can that need to be replaced with design standard containers

**Figure 84 – Playground Area**

**Figure 85 – Tennis Courts**

**Figure 86 – Multipurpose Field 1**

**Figure 87 – Multipurpose Field 2**

**Figure 88 – Trail Nuisance**

**Figure 89 – Group Picnic Area**

- Water Fountain – 1 ADA accessible water fountain

#### 1.1.15.3 RECOMMENDATIONS

- Move the dirt trail to the center of the park and improve the surface to access the bike trail
- Reenergize the park by following design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Landscape the area around the multipurpose similar to other newer parks in the district to remove excess turf
- Add a fitness trail to complete a loop trail and add distance markers
- Refill fibar surfaces in playground areas
- Resurface tennis courts and replace or repair fencing

#### 1.1.16 LARCHMONT-ROSSMOOR PARK

##### 1.1.16.1 OVERVIEW

Larchmont-Rossmoor Park is a 3 acre Neighborhood Park (2.86 acres irrigated) located adjacent to an elementary school. The image of the park fair and is need of rejuvenation (**see Figure 100**); the addition of the new concrete trail, metal trash receptacles, ADA accessible drinking fountain and picnic tables is a good start (**see Figure 101**). It is well placed and connected within the neighborhood, and visibility is good through. Vegetation throughout the park is mature and in good condition and the turf quality is fair. The concrete and bare dirt bedding around the trees in the back of the park is unique and could be expanded in this park and others (**see Figure 102**). Safety lighting is located near the picnic area.

##### 1.1.16.2 MAJOR ASSETS

- Playground Area – 1 playground area with main structure geared for ages 2 to 5 in lifecycle stage 2 (**see Figure 103**). The surface is fibar and bounded by a concrete ring. There is a 2 bay swing set with 2 bucket and 2 belt seats.
- Picnic Area – with 2 picnic tables both ADA accessible, being 6 and 8 feet in length, a BBQ pit, dog waste station and 2 new metal trash receptacles.
- Water Fountain – 1 ADA accessible water fountain
- Concrete Pathway – Concrete trail is 290 feet in length by 6 feet in width

##### 1.1.16.3 RECOMMENDATIONS

- Partner with school to create a looping fitness trail for school and public use
- Reenergize the park by following design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system

**Figure 90 – Park Image**

**Figure 91 – New Assets**

**Figure 92 – Unique Bedding**

**Figure 93 – Playground**

- Landscape the area around the front of the park similar to other newer parks in the district to remove excess turf

### 1.1.17 LINCOLN VILLAGE COMMUNITY PARK

#### 1.1.17.1 OVERVIEW

Lincoln Village Community Park is a 17 acre Community Park (15.86 acres irrigated) located adjacent to a middle school and church, being near an elementary school (see Figure 104). It is also home to the Cordova Senior Center (see Figure 105) and shares 48 parking spaces (5 ADA accessible) with this facility. Overall the park is sited well to main thoroughfares for vehicular traffic and has a good connection to the neighborhood via asphalt pathways. The park has a fair image that is in need of being re-energized. Vegetation within the park consists of trees and is mainly mature; however there is a need for ground vegetation. Turf coverage is near 90% and could be reduced with natural areas within the park. Many of the assets within the park are in lifecycle stage 3 and are in need of repair or replacement. Visibility across the site is fair, with the bathhouse blocking portions of the view within the park. Safety issues observed include uneven, potted trail surfaces.

#### 1.1.17.2 MAJOR ASSETS

- Playground Area – 1 playground area (see Figure 106) with fibar surface and components for ages 2 to 5 and 6 to 12 with a bench, a trash barrel, and a 2 bay sing set with 2 bucket seats and 2 belt seats. The lifecycle of the pay structure is stage 2 (some graffiti) and the swing set needs preventative maintenance care. A sand pit is adjacent to the playground area that has no equipment and is in need of weed abatement. There is another detracting playground area with no equipment that could be repurposed or rebuilt.
- Multipurpose Field - Large – 1 large turf multipurpose field with soccer goals that is irrigated, non-engineered, and non-lighted with ordinary wear
- Diamond Field; Non-Mounded – Small – 1 small softball field (see Figure 107) with a skinned infield that is irrigated, non-engineered and lighted with 40-50 foot base paths. The field could accommodate increased size, perhaps up to 250 feet. Player areas exist but are not covered and the field has an equipment box. Turf quality is good with limited infield turf encroachment. There are also 2 sets of wooden 3 row bleachers and a drinking fountain. The field has 8 foot high wing, infield fencing. There are 6 light poles each being 50 feet in height containing banks of 20 individual lights. The backstop is a rounded wire structure with a need for maintenance.
- Outdoor Pool – 1 outdoor pool (see Figure 108) with bathhouse that is a typical flat pool with a zero depth entry spanning to a depth of 5 feet,

Figure 94 – Park Signage

Figure 95 – Senior Center

Figure 96 – Playground Area

Figure 97 – Softball Field

Figure 98 – Swimming Pool

Figure 99 – Basketball Courts

containing a water slide, lifeguard stall, lifeguard building, shade structure, concessions, 2 metal picnic tables, a bike rack, filter building and restrooms. The pool complex is fenced with access control.

- Basketball Court – 2 abutting half size basketball courts on a square with 1 hoop each (see **Figure 109**). Opportunity exists to add two additional hoops to make 2 half-sized full courts to create 1 full court. Cracking exists along the surface of the court and has been patched extensively; the lifecycle of the surface is stage 3 and should be replaced or repaired.
- Tennis Courts – 4 tennis courts (see **Figure 110**), with non-functioning lighting at the time of the assessment. The surface of the courts has cracking and is in a lifecycle stage 2 to stage 3, with visible signs of water retention (see **Figure 111**). Nets are taut and in good condition.
- Horseshoe Pits – 2 horseshoe pits in need of re-grading and replenishing. Posts are missing and backing boards are worn (see **Figure 112**).
- Senior Center – 1 senior center building being 10,250 square feet that includes offices, meeting rooms, arts and crafts room, reception area and restrooms. Overall the building is in good shape though some internal assets are showing worn. The kitchen area is in excellent condition. The back of the center is enclosed with a rod iron fence opening up to the park.
- Trail – 0.476 miles of asphalt pathway that is in lifecycle stage 2 to 3 and should be slated for replacement or repair (see **Figure 113**)
- Group Picnic Area – 1 group picnic area with 6 concrete tables with wooden benches on a concrete pad with a barbeque pit (see **Figure 114**)
- Picnic Areas – 8 individual picnic areas with concrete pad sites, concrete tables with wooden benches and 4 small barbeque grills. Some tables are missing benches and have cracked concrete pads (see **Figure 115**).
- Memorial Grove – 1 memorial grove with 3 wooden benches, plaque and trash receptacle on concrete. The concrete is showing cracking and is in need of patching
- Trash Receptacles – 16 trash barrels
- Benches – 3 metal benches
- Entrance Signage – 1 wooden sign

#### **1.1.17.3 RECOMMENDATIONS**

- Master Plan the park
- Reenergize the park by following design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Landscape the area throughout the park similar to other newer parks in the district to remove excess turf
- Repurpose the empty playground area with fitness equipment

**Figure 100 – Tennis Courts**

**Figure 101 – Standing Water**

**Figure 102 – Horseshoe Pits**

**Figure 103 – Worn Trail**

**Figure 104 – Group Picnic Area**

**Figure 105 – Picnic Area**

- Great candidate for a looping fitness trail with mileage markers that would not impact existing assets
- Explore converting diamond field into a signature field with existing concession available at the pool area
- Repair Tennis Court Surfaces and basketball courts, or convert to a complex
- Overall, assets and quality should focus on ability to drive concessions. This park has the ability to become a signature site centrally placed within the district's population core by improving the quality and placement of assets

### **1.1.18 MANLOVE PARK**

#### **1.1.18.1 OVERVIEW**

Manlove Park is a 3 acre neighborhood park (2.84 acres irrigated) centered in a neighborhood (**see Figure 116**). This park could be used as a standard for the remainder of the park system. The park is well maintained and all edges up to hard surfaces are neatly done. Tree wells are free of weeds and there is good turf coverage. There is great connection to neighborhood via sidewalks and minimal traffic bordering the park. The park is not connected to hike-bike trail, nor is it adjacent to a school. The park is a good fit with a good location and image. Visibility is very good with few blind spots. There is security lighting along the trail. Safety issues were noted during the assessment within the playground area. The park dissected by a hard surface asphalt trail, with a few areas along the trail that appear to be settling and could result in drainage issues. The park is in good shape and in lifecycle stage 2. A majority trees are mature with some younger trees. Regulatory signage is present.

#### **1.1.18.2 MAJOR ASSETS**

- Playground Area – 1 playground areas with fibar surface and a structure, lifecycle stage 2 built in the year 2000, for ages 2 to 5 (**see Figure 117**). The playground is bounded by a concrete curb that had been cut without safety ends for ADA access. Peeling paint damage exists to the play structure which poses a safety hazard (**see Figure 118**). There is also a 1 bay swing set with belt seats that is in lifecycle stage 2 and is showing wear at the joints.
- Picnic Area - 2 picnic areas each with a concrete table and trash barrel placed on concrete pads (**see Figure 119**)
- Trail - Asphalt pathway is six feet wide and 447 feet long recently resurfaced with an ADA water fountain and 2 dog waste stations (**see Figure 120**)
- Entrance Sign – 1 wooden entrance sign
- One block irrigation pump enclosure, 1 irrigation controller

#### **1.1.18.3 RECOMMENDATIONS**

**Figure 106 – Park Signage**

**Figure 107 – Playground Area**

**Figure 108 – Structure Damage**

**Figure 109 – Picnic Area**

**Figure 110 – Trail**

- Reenergize the park by following design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system
- Landscape the area throughout the park similar to other newer parks in the district to remove excess turf (**see Figure 121**)
- Site is a good candidate for small picnic shelters or a gazebo
- Repurpose existing trail or add a looping ¼ mile fitness trail
- Repair playground structure
- Add safety ends to playground area ADA entrance

**Figure 111 – Excess Turf**

### **1.1.19 MATHER SPORTS COMPLEX**

#### **1.1.19.1 OVERVIEW**

Mather Sports Complex is a 32.1 community park also functioning as a special use complex. The complex serves as a signature piece for the district and the region. The newer components of the site are in excellent condition and function well together. The main parking area is centrally located and provides good access to the surrounding features. Additional parking supports ancillary functions. The park is well maintained and orderly, maintaining an excellent overall image quality. It is well connected to adjoining businesses and heavily utilized by this segment. Turf coverage has been reduced with a mixture of natural surfaces and vegetative plantings. Most trees are young, and there are areas where more would be desirable, especially on the northern portions of the complex. The park does have areas of limited line of sight, but overall meets expectations and is equipped with security lighting throughout. The site is not connected to a hike/bike trail but has the ability to be connected to the drainage channel to the southwest and Stone Creek Subdivision to the east. Transit stops are located in the area. Of note, the external appearance of the recreation center detracts from the quality of the site and should be renovated. With the exception of a few picnic tables and the recreation center, all asset lifecycles are in stage 1.

**Figure 122 – Softball Fields**

**Figure 123 – Concessions**

**Figure 1124 – Baseball Field**

**Figure 113 – Group Picnic Area 1**

**Figure 114 – Group Picnic Area 2**

#### **1.1.19.2 MAJOR ASSETS**

- Diamond Field Complex – 3 non-mounded, irrigated, lighted and synthetic diamond fields with alternating soccer field overlays, covered player's areas, pitching warm-up boxes, storage areas, numerous trash receptacles, drinking fountains, electronic scoreboards, scorer's areas, spectator stands, metal bleachers and metal picnic tables (**see Figure 122**). Excellent arrangement and design. Includes a concessions stand with restrooms and shade sails (1,188 square feet, **see Figure 123**). The entire area is contained with a single entrance location, making it prime for tournament play.
- Diamond Field; Mounded – Large – 1 engineered, irrigated and lighted baseball field in excellent condition with covered players areas, pitching

warm-up boxes and multi-level spectator bleachers (see **Figure 124**). Infield edging is tight and field surface is excellent.

- Group Picnic Areas – 2 group picnic areas both situated on concrete pads with shade sails, barbeque pits, trash receptacles and drinking fountains. The diamond field area setting has 6 rounded four seat tables (see **Figure 125**) while the multipurpose field area has 4 true picnic tables (see **Figure 126**).
- Multipurpose Field- Large – 1 Large synthetic, lighted, irrigated and engineered multipurpose field (see **Figure 127**) with another under construction. Enhancements include benches, 5 row metal spectator seating, trash receptacles, and goal stops.
- Restroom – 832 square foot restroom with men’s and women’s facilities, bike rack and drinking fountain in excellent condition. The restroom serves as the entrance gate to the multipurpose complex (see **Figure 128**).
- Sport Court, Pentaque – 4 pentque courts with spectator seating, 4 picnic tables, benches and trash barrels
- Sports Court, Roller Hockey – 1 roller hockey rink having moveable plastic boundary fencing and a basketball court overlay (see **Figure 129**). The surface of the court is asphalt and in excellent condition and the stripping in fresh. The configuration of the moveable walls allows for multiple options in court sizing.
- Mather Gymnasium, Recreation / Fitness Center – 24,800 square feet recreation center that include a full size gymnasium/basketball court, dance/aerobic room, weight rooms and racquetball courts. The overall condition of the facility and the enhancements within the facility is lifecycle stage 2 with many of the pieces feeling dated. The weight room and running rooms feel confined and are in need of natural lighting or windows (see **Figure 130**).
- Picnic Areas – 2 picnic areas on concrete pads exterior to the outfield of the softball fields. Trash cans are barrels and tables are concrete and do not match the standards within the park and should be replaced with park furnishings found at the multipurpose group picnic area (see **Figure 131**).
- Playground Area – 1 playground area with structures for ages 2-5 and 6-12 as well as a modified jungle gym adjacent to a group picnic area (see **Figure 132**). The play area is bounded by a concrete ring and filled with fibar surrounded by rod iron fencing. Numerous other individualized play components exist. The asset is ADA accessible via a concrete entrance path.
- Skate Park – 1 signature in ground skate park facility with multiple rail slides, concrete ramps, stair sections and a modified multi-entrance bowl (see **Figure 133**). The center of the asset has a shade structure.
- Trail - 1.83 miles of concrete and soft surface trail with safety lighting.

**Figure 115 – Multipurpose Field**

**Figure 116 – Field Gateway**

**Figure 117 – Roller Hickey**

**Figure 118 – Confined Area**

**Figure 119 – Picnic Area**

**Figure 120 – Playground Area**

- Maintenance Building 1 – 2,400 square feet

**Figure 121 – Skate Park**

---

#### **1.1.19.3 RECOMMENDATIONS**

- Add design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system. Mather Sports Complex is a good place to start to adopt a standard as most enhancements are uniform. However, there are still furnishings that do not belong in this complex due to style, coloration and material.
- Add spray ground area between playground area and concessions
- Improve picnic areas and petanque to meet the standards of the park
- Add covered spectator, water fountain, seating outside of the skate park
- Add additional trees interior to the park to create shade and continue natural landscaping in the outfield areas of the softball and to the west of the baseball field.
- Add mileage markers along the fitness trail
- Explore alternate concession locations within the complex including “coffee shop” and deli type indoor/outdoor settings to attract employees of local businesses during the day into the park to increase complex usage
- Resurface the exterior of the Recreation Center and redesign the interior of the recreation center to function as a modern facility

### 1.1.20 PRIMROSE PARK

#### 1.1.20.1 OVERVIEW

Primrose Park is a 2.4 acre neighborhood park (2.3 acres Irrigated) on Rose Parade Way in Beazer Primrose subdivision near Jackson Highway. The turf is fair. Signage is good (**see Figure 134**), clean and free of weeds. There is nice concrete, inner park trail system. It is not adjacent to any schools, nor is there a transit stop nearby. The park has a good image, fits into location very good, and has good visibility with no blind spots. There is no area lighting in the park itself, but there is ancillary lighting in the street. No safety issues were noted. Maintenance is good and the park is clean. Edging is made of concrete border. This park should also be used as a benchmark for all other parks as far as the edging. There are no restrooms on site. This park uses a different standard for trash cans and park benches. Sound walls exist along the south and west, and entrance ways are protected by bollards. Vegetation in the park is mature and in good condition and tree wells are in great shape, free of weeds, however some replacement is needed (**See Figure 135**)

#### 1.1.20.2 MAJOR ASSETS

- Trail - Concrete, inner park trail system with 2 coated-metal benches, 3 trash receptacles and a water fountain on the trail all in good condition (**see Figure 136**). The trail is 6 feet in width and 429 feet in length.
- Playground Area – 1 playground are with a structure for ages 2-5 and 6 -12 (**see Figure 137**) that is in lifecycle 2 shifting into early lifecycle 3. The playground area is ADA accessible, but the structure is not universally accessible. There is no official ADA ramp into the playground, but rather a subtle drop from the concrete trail into the playground well by way of the fibar surface. The fibar meets the recommended minimum depth of 12 inches and has been recently replenished. There is a water fountain onsite. The pla surrounded by a 6 feet wide walkway.
- Multipurpose Field-Small – 1 small multipurpose field with 2 permanent soccer goals (**See Figure 138**). Turf coverage is good but not 100%.
- Picnic Area - 3 individual picnic areas with concrete pads and concrete tables (**see Figure 139**). The areas have no ancillary features such as BBQ Grills

#### 1.1.20.3 RECOMMENDATIONS

- Add design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system.
- Add ADA ramp into the playground area and slate structure for replacement
- Replace removed trees
- Add ancillary features to picnic areas

Figure 122 – Entrance Signage

Figure135 – Tree Replacement

Figure 136 – Trail Features

Figure 137 – Playground Area

Figure 138 – Soccer Field

Figure 139 – Picnic Areas

### **1.1.21 PROSPECT HILL PARK**

#### **1.1.21.1 OVERVIEW**

Prospect Hill Park is a 9 acre neighborhood park (6.37 acres irrigated) on Gold Flat Drive in Gold River (**see Figure 140**). The turf is good and the vegetation is mature. Connection to the neighborhood is good on all sides with a connector trail to the west. Visibility across the main area is good, but limited in the connector trail area. Safety lighting is present along the main trail but could be added to the connector (**see Figure 141**). The park is connected to a hike or bike trail though trails connection to adjacent neighborhoods could be improved.

#### **1.1.21.2 MAJOR ASSETS**

- Playground Area – 1 playground area (**see Figure 142**) with 2 structures for ages 2-5 and 2 structures for ages 6-12 with a 3 bay swing set having 2 bucket and 4 belt seats and 2 wooden benches. The lifecycle of the equipment is stage 1. The fiber meets the minimum depth requirements.
- Group Picnic Area – 1 Group Picnic Area with 4 concrete tables 6 feet long on 10 x 16 feet concrete pads, one large grill on a 16 x 16 feet concrete pad and 3 concrete trash receptacles, 1 with damage (**see Figure 143**).
- Picnic Area - 3 individual picnic areas with 6 feet long concrete tables and BBQ grills on 8'x10' concrete pads 1 with a trash receptacle.
- Trail – 4 sections of trail, 3 being 10 feet in width asphalt trail and 1 being concrete 6 feet in width, all in good condition. Asphalt trails are 587 feet, 385 feet around the playground area, 325 feet from the playground to Prospect Hill, and 120 feet from the playground to the trailhead. 2 dog waste stations existing along the trail.
- Multipurpose Field-Small – 1 small multipurpose field with permanent soccer goals and good turf coverage. Soccer field is non-engineered and slopes towards the street (**see Figure 144**).
- Basketball Court – 1 full size basketball court with an asphalt surface and metal goals. The lifecycle of the goals is stage 2 and the surface is stage 3 and should be repaired or replaced (**see Figure 145**).

#### **1.1.21.3 RECOMMENDATIONS**

- Add design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system.
- Add signage from hike/bike trails to the local parks, crosswalks from trails into park neighborhood and explore a trail route to the hike/bike trail
- Add safety lighting along the trail connector

Figure 140 – Entrance Signage

Figure 141 – Trail Connector

Figure 142 – Playground Area

Figure 143 – Group Picnic Area

Figure 144 – Soccer Field

Figure 145125 – Basketball Court

- Repair or replace the basketball court surface

### 1.1.22 RENAISSANCE PARK

#### 1.1.22.1 OVERVIEW

Renaissance Park is a 1.7 acre neighborhood park (1.5 acres irrigated) on Mowbray Way in the Capitol Villages area (see **Figure 146**). An excellent example for a small neighborhood park to be used as a benchmark for the system is well laid out and well appointed. Security lighting is located throughout the park. The park has great connection to neighborhood and good visibility. The park is not near a transit stop. No safety or maintenance issues were noted and cleanliness is excellent. This should be a benchmark park. All aspects of this park are in lifecycle stage 1. Landscaping is excellent throughout the park and there is a large grass open area. Security lighting exists throughout the site.

#### 1.1.22.2 MAJOR ASSETS

- Shelter; Small – 1 small shelter with brick pilasters, electricity and four permanent metal, rubber coated square picnic tables (see **Figure 147**).
- Playground Area – 1 playground area with structures for ages 2-5 and 6-12 with a 2 bays for 2 belt and 2 bucket swings (see **Figure 148**). Other ancillary structures also exist within the playground area. The fiber depth meets the 12 in minimum recommendation. 4 benches (see **Figure 149**), 2 black metal waste receptacles and a water fountain exist around the playground area.
- Basketball Court - Half Court – 1 half court basketball court with multiple access points and 4 benches (see **Figure 150**). Striping is excellent.
- Trail - Concrete walkway around perimeter of park (see **Figure 151**) and a 5 feet width concrete trail through the center of the park and around the playground area. 2 pet waste stations exist along the trail.

#### 1.1.22.3 RECOMMENDATIONS

- Use this park as a model for other neighborhood parks within the system for design and design standards. The acreage for future parks should be increased to include a typical ball and bat hybrid field. Add distance markers along the exterior trail for use as a fitness route.

Figure 1266 – Entrance Signage

Figure 147 – Small Shelter

Figure 148 – Playground Area

Figure 149 – Benches

Figure 150 – Basketball Court

Figure 151 – Exterior Trail

### 1.1.23 RIVIERA EAST PARK

#### 1.1.23.1 OVERVIEW

Riviera East Park is a nine acre (8 acres irrigated) neighborhood park on Mira Del Rio Drive. Turf is in fair condition. The park is clean and well maintained. Mature tree coverage provides shade throughout park with open areas for activities on turf. The majority of tree wells need weeding (**see Figure 152**). The park has good image and good fit with the neighborhood. There is street parking only and no connection to hike-bike trail that is across the street that runs adjacent to the river. There is access to a trail that allows river access. The connectivity to neighborhood is very good, but there are no transit stops nearby. There is no signage. Area lighting is present, but limited to inner park trail and around some asset. Visibility appears to be good without many blind spots. No safety issues were apparent.

#### 1.1.23.2 MAJOR ASSETS

- Trail – 1,735 feet of asphalt trail being 1,185 feet at 10 feet in width and 545 feet at 6 feet in width. Inner trails are in lifecycle stage 3 and needs the edging replaced and cracking repaired. Drainage issues exist as well near the basketball courts and horseshoe pits (**see Figure 153**).
- Playground Area – 2 playground areas - 1 ADA accessible playground area with a 1 structure suitable for ages 2-5 and 6-12 (**see Figure 154**). The fibar surface meets the minimum recommended standard of 12 inches. 1 swing set with 2 bays having 2 belt swings and 2 bucket swings with repair needed on the bucket swings and on the swing joints. Graffiti exists within the playground area. Ancillary structures include a water fountain, bench and trash receptacle. Playground are 2 is for ages 6-12, made of aluminum and wood construction in Lifecycle stage 3 and should be replaced.
- Tennis Courts - 2 unlit tennis courts in lifecycle stage 3, with surfaces fading in areas with drainage issues (**see Figure 155**). Nets are taut and in good condition. Exterior fencing is 10 feet high and in fair condition.
- Basketball Court-Full Court – 1 full-size basketball court with adequate striping and nets (**see Figure 156**). The court surface is lifecycle 2 with minimal cracking, but drainage issues exist. The court has a water fountain.
- Horseshoe Pits – 2 horseshoe pits with backer boards on each in relatively good shape (**see Figure 157**). Pits need to be raked and graded with infield and weed abatement. 1 post is missing from each horseshoe pit.
- Picnic Areas – 4 picnic areas with concrete pads and concrete tables

Figure 152127 – Tree Wells

Figure 153 – Cracks in Asphalt

Figure 1284 – Playground Area 1

Figure 1295 –Tennis Court Surface

Figure 1306 – Basketball Court

Figure 157 – Horseshoe Pits

- Multipurpose Field-Small – Open grass area that servers as a non-engineered practice multipurpose field area.

---

### 1.1.23.3 RECOMMENDATIONS

- Add design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system.
- Weeding needed in tree well areas
- Signage needed within the park and signage along river access to the park
- Repair or replace additional segments of the inner trail system, Replace structure in the eastern playground area, Resurface the tennis courts and explore the potential of lighting

---

## 1.1.24 ROSEMONT COMMUNITY PARK

---

### 1.1.24.1 OVERVIEW

Rosemont Community Park is a 17 acre, fairly well used community park on Americana Drive. No safety issues were noted. The image is fair with an older 1970's park style. Many assets and amenities appear to be in lifecycle stage 2. The turf is in fair condition with a few dead spots and the visibility seems to be good. Parking lot Improvements were completed in 2010. The park is not connected to a hike-bike trail and it is located adjacent to a middle school. The park has an inner parkway trails for pedestrian circulation and there is safety lighting along the trail. There is limited signage for the park with some regulatory signage, and sign damage exists to the entrance sign (**see Figure 158**). Vegetation is in good condition and overall good maintenance on the tree wells and the edging.

---

### 1.1.24.2 MAJOR ASSETS

- Playground Area – 1 ADA accessible playground area with a structure for 2-6 and 6-12 year olds a 1 bay swing set and 2 belt swings. The structure is in lifecycle stage 2 shifting to stage 3 and should be slated for replacement. There are signs of minor graffiti. Fibar appears to meet the 12 inch minimum recommendation.
- Group Picnic Area – 2 group picnic areas. Group picnic area 1 has 4 concrete tables on a concrete pad, 1 large BBQ grill and 1 metal trash barrel. Group picnic area 2 near the softball field (**see Figure 159**) has 5 concrete tables with wooden benches with 1 large BBQ pit. Both are in lifecycle stage 2.
- Tennis Courts – 4 tennis courts, 2 lit, all in lifecycle stage 3 for nets, surfaces (**see Figure 160**) and fencing (**see Figure 161**). The courts should be slated for replacement. Ancillary features include a water fountain,
- Open Grass Area - 2 backstops and practice fields located between the school and the majority of the park plan. Backstops only, no skinned infields, all turf coverage.

Figure 158 – Entrance Signage

Figure 1319 – Group Picnic Area 2

Figure 160 – Tennis Court Surface

Figure 161 – Tennis Court Fences

Figure 162 – Diamond Fields

- Diamond Field; Mounded-small – 2 small baseball fields with backstops and dimensional fencing, with dugouts, storage, 2 aluminum 5 seat bleaches, 2 wood 3 seat bleacher (**see Figure 162**). The edging is in good condition, with some edging issues on the aggregate and the turf. 1-2 story block little league building with restrooms and snackbar, 7272 sq. ft. of concrete pads behind baseball back stops
- Multipurpose Field-Small – 1 small multipurpose field with permanent soccer goals (**see Figure 163**). Fields have good turf coverage but are in need of weed abatement and re-grading. Could be upgraded to youth tournament field.
- Trail – 617 feet of concrete trail, 280 feet being 5 feet in width, 295 feet being 6 feet in width and 42 feet being 42 feet in width. There is a water fountain along the trail and 3 dog waste stations.
- Butterfly Garden – 1 butterfly garden with 4 metal 8 feet in length benches on concrete pads and 2 benches on concrete pads with 4 metal trash receptacles.
- Picnic Area – 1 picnic area with an 8 feet long table and a small BBQ grill
- Shelter-Small – 1 small shelter 12 feet x 12 feet shelter with an 8 feet long ADA accessible concrete table.
- Pavilion-Large – 40 x 40 feet structure with 9 Tables, 2 grills and 2 trash receptacles
- Restrooms – 1 men's / women's restroom building near parking area
- Parking Area – Newly renovated in 2010

Figure 163132 – Soccer Field

#### 1.1.24.3 RECOMMENDATIONS

- Much of this area has been updated, though design standards could still be applied throughout the site for furniture, signage and assets to make uniform with all parks in the system.
- Improve the field quality to match the new renovations, including grading and exploration of lighting. Explore potential partnership with school to expand tournament field potential and parking.
- Continue updating assets, e.g. tennis courts and remaining pathways

#### 1.1.25 ROSEMONT NORTH PARK

##### 1.1.25.1 OVERVIEW

Rosemont North Park is a 3.0 acre neighborhood park (2.9 acres irrigated) on Huntsman Drive and Premier Way. Turf is in fair condition, edging is well done and the park is well maintained. The park has a good image, is good fit and is well connected to the neighborhood. There is a large general use play area that is heavily used and could be adapted to a practice multipurpose field. There is street parking only and the park is not connected to a hike-bike trail or transit stop. Signage (**see Figure 164**) and lighting is inadequate, though there is some safety street lighting.

Figure 164 – Missing Signage

Large mature trees line the borders of the park along the street. There is a treatment facility located on the corner of the park that is clearly delineated but could be screened from view with additional vegetation.

---

#### **1.1.25.2 MAJOR ASSETS**

- Picnic Area – 1 concrete pad picnic area with a table and a trash receptacle
- Playground Area – 1 Non-ADA Accessible playground area in lifecycle stage 2 (**see Figure 165**) with a structure for 6-12 year olds and a 1 bay swing with 2 bucket seats. Fibar appears to meet the recommended 12 inch minimum standard. 1 Black metal bench and an ADA drinking.
- Open Grass Area – Suitable for a multipurpose field (**see Figure 166**)
- Shelter-Small – 1 small shelter on a 25 x 30 feet concrete pad with 2 concrete tables being 6 feet long and 8 feet long ADA. Accessible
- Trail – 110 feet of 5 feet wide concrete pathway with 1 dog waste station

Figure 1335 –Playground Area

Figure 1346 – Open Grass Area

Figure 167 – Potential Trail

---

#### **1.1.25.3 RECOMMENDATIONS**

- Add design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system.
- The park could be adapted to a practice multipurpose field with the capability for junior soccer fields play area- 80 by 40 something yard
- Explore adding a looping fitness trail with distance markers (**see Figure 167**).

---

### **1.1.26 ROSSWOOD PARK**

---

#### **1.1.26.1 OVERVIEW**

Rosswod Park is a 1 acre neighborhood park (1 acre irrigated) with mature trees throughout and a good mix of younger trees. Tree wells are weed free and edged properly. The turf is in fair condition. There is street parking only (**see Figure 168**) and no connection to hike-bike trail. The trail dissecting the park, allows access from 3 different arterial streets. The park connectivity and fit to neighborhood is to be good. The park has a good image. No lighting exists within the park. Visibility is an issue because park is lined around. Visibility from one of the entry points is limited, visibility from other two entry points that are across from each other does not appear to be an issues. Maintenance is good. There is regulatory signage and one trash can. Neighborhood fence damage is an issue (**see Figure 169**)

Figure 1358 – Parking

Figure 169 – Fence Damage

Figure 170 – Playground Area

---

#### **1.1.26.2 MAJOR ASSETS**

- Playground Area – 1 ADA accessible playground area with a play structure for 2-5 and 6-12 year olds in lifecycle stage 2 (**see Figure 170**). Fibar appears to meet the recommended minimum of 12 inches in depth. There is also a 1 bay swing with 2 belts showing normal wear and 2 wood and metal benches.

- Trail – 440 feet of asphalt trail in lifecycle stage 2 with 2 metal trash barrels (see **Figure 171**). There is also a dog waste station along the trail.

Figure 1361 – Trail

#### 1.1.26.3 RECOMMENDATIONS

- Add design standards throughout the site for furniture, signage and assets to make all parks in the system.
- Work with neighbors to improve the exterior look of their fencing

### 1.1.27 SALMON FALLS PARK

#### 1.1.27.1 OVERVIEW

Salmon Falls Park is a 1980's era 1 acre neighborhood park (0.5 acres irrigated) with minimum improvements. The open area style park is well maintained with no trash visible. The image value is fair with inadequate signage with the exception of an overcrossing sign (see **Figure 172**). The park's south border is El Dorado Freeway. A pedestrian walkway provides a fair connection to neighborhoods on other side of the freeway. The DOT is expected to replace and shift the entry ramp onto the interstate, and provide a sound barrier wall for the park. There is an adjacent Elementary school to the east. The park is rectangular shaped with walking path dissecting the middle. An asphalt trail is 4-feet wide and spans from South side to North side (see **Figure 173**). There is adequate security lighting and two large multi-use spaces on either side of the park. Street parking only and there are no transit stop close. The park is not connected to hike-bike path that is visibility is decent from across street. East side property owners have dilapidated fence that is falling down with a smorgasbord of materials including orange safety barrier fencing spanning approximately 50 feet. There are a few large trees with no weeds in tree wells. The turf is in fair condition with some spotty coverage and some weeds.

Figure 172 – Overcrossing Sign

Figure 173 – Trail

#### 1.1.27.2 MAJOR ASSETS

- Pedestrian Bridge – Spanning Freeway
- Trail – 7 feet width x 320 in length asphalt pathway resealed in 2008 with 1 trash barrel and a dog waste station

#### 1.1.27.3 RECOMMENDATIONS

- Add design standards throughout the site for signage to make uniform with all parks in the system.
- Explore adding a playground area, water fountain and benches.
- Promote the use of the pedestrian bridge as a non-vehicular access to the American River Trail with addition of on-street bike lanes and signage from park to and along Waterton Way.

### 1.1.28 SANDPIPER PARK

### 1.1.28.1 OVERVIEW

Sandpiper Park is a new 5 acre neighborhood park on Appolon Drive. The image is good and visibility is excellent. The park is connected to the Anatolia Bike Trail. Vegetation is young and well designed, with excellent vegetative bedding. Connectivity with the neighborhood is excellent and a school is nearby. Crosswalks do exist from the adjoining neighborhood and the park. Maintenance within the park is excellent however there are some drainage issues along the trail (see Figure 174). All assets within the park are in lifecycle stage 1. Security lighting exists along the trail and no safety issues were observed during the assessment.

Figure 174 – Entrance Signage

Figure 177 – Playground Area

Figure 178 – Soccer Field

Figure 1389 – Entrance Signage

Figure 180 – Landscaping

Figure 181 Drainage issues

### 1.1.28.2 MAJOR ASSETS

- Trail – 1,450 of concrete trail (see Figure 175) being 996 feet of 8 feet wide trail and 344 x 6 feet wide trail. Enhancements include 3 metal benches.
- Pavilion-Small – 1 small picnic pavilion (see Figure 176) with 4 coated-metal 8 feet long picnic tables, 1 drinking fountain, 2 metal trash receptacles, 1 bike rack, 1 metal bench and 2 large BBQ grills.
- Playground Areas – 2 ADA playground areas near the pavilion for ages 6-12 and 2-5 each with an age appropriate 1 bay swing set (see Figure 177). Fibar appears to meet the 12 inch minimum recommended depth. Ancillary enhancements include 2 metal benches, 1 at each playground area. Graffiti is present in the playground area.
- Multipurpose Field-Small – 1 small non-engineered multipurpose field (see Figure 178) with permanent soccer goals. Turf coverage is near 100% but patch in spots and could be reseeded.

### 1.1.28.3 RECOMMENDATIONS

- Add design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system.
- Reseed the multipurpose field
- Clean Graffiti

## 1.1.29 SONOMA PARK

### 1.1.29.1 OVERVIEW

Sonoma Park is a 4.3 acre neighborhood park (see Figure 179) on Bear Hollow Drive. From a design standpoint this park should be a standard design for neighborhood parks in the system for asset layout and design as well as adapted as the design standard for the district. The park is clean, well placed in the neighborhood and has an excellent visual aesthetic. Landscaping is abundant and well-manicured (see Figure 180), and overall maintenance is excellent. Drainage issues are present (see Figure 181). All assets are in lifecycle stage 1. Security lighting does exist along the trail and no safety issues were observed during the assessment.

### 1.1.29.2 MAJOR ASSETS

- Pavilion-Small – 1 small picnic pavilion with 4 black metal mesh tables (1 ADA accessible) surrounded by a 2 foot high stone wall (**see Figure 182**). The columns are also stone. Ancillary features include 2 metal benches, 1 bike rack, 1 metal trash receptacle and a drinking fountain.
- Picnic Areas – 4 Single metal tables on 10' round concrete slabs, drainage issues exist on 1 picnic area
- Multipurpose Field-Small – 1 small multipurpose field with permanent soccer goals. Turf coverage is near 100% and overall in good condition.
- Trail – 2,526 feet of concrete trail (**see Figure 183**) with 2 metal benches and 3 metal trash receptacles and 1 dog waste station.
- Playground Areas – 2 playground areas, 1 with a structure for ages 2-5 and 1 with a structure for ages 6-12 (**see Figure 184**). Overall the condition is excellent and the fiber appears to meet the recommended minimum standard.

#### 1.1.29.3 RECOMMENDATIONS

- Adapt this park as a model for future neighborhood park design, layout and design standards.
- Fix the drainage issues at picnic site.

### 1.1.30 STONE CREEK BIKE TRAIL

#### 1.1.30.1 OVERVIEW

Stone Creek Bike Trail is 49.24 acre special use area at Azienda Drive and Marquam Way. The trail is a divided lane bike path with appropriate enforcement signage and is bounded by excellent vegetative bedding. Overall the path trail is a premier example of a bike path and is a signature showcase of the district.

#### 1.1.30.2 MAJOR ASSETS

- Trail - 4.61 miles of divided lane asphalt bike trail (**see Figure 185**) in lifecycle stage 1 with ancillary features of 2 picnic tables

#### 1.1.30.3 RECOMMENDATIONS

- Add directional signage from bike paths to district facilities and adjoining neighborhoods; add on-street bike lanes to promote access to the bike paths

### 1.1.31 STONE CREEK COMMUNITY PARK

#### 1.1.31.1 OVERVIEW

Figure 182 – Small Pavilion

Figure 183 – Trail

Figure 1394 – Playground Area

Figure 1405 – Bike Trail

Figure 1416 – Entrance Signage

## Appendix 2 – Detailed Facility and Park Assessments

### CRPD Strategic Master Plan

Stone Creek Community Park is a 21 acre community park (see **Figure 186**). The park is new and well designed with elevation changes and assets to spotlight the shift. Assets are centrally focused and well placed. The site is connected to multiple bike trails and could be tied to the Alexander trail. It is well adjoined within the neighborhood. There is a nearby school that could also be tied in with additional trail design. Overall the park is clean and visually aesthetic with well-maintained assets and vegetation. From a design standpoint this park should be a standard design for community parks in the system for asset layout and design as well as adapted as the design standard for the district. All assets are in lifecycle stage 1. The only detriments to the park are the above ground skate ramps and non-tournament quality fields. The skate park (see **Figure 187**) is out of place in the park and should be repurposed elsewhere or removed. An in-ground skate park similar to Mather's skate park, but on a smaller scale, should be installed and adopted as the district standard possible at the south end of the parking lot. All fields should be upgraded to tournament quality with lighting and an onsite concessions booth.

#### 1.1.31.2 MAJOR ASSETS

- Basketball Court – 1 full court in excellent condition (see **Figure 188**)
- Diamond Field; Non-Mounded-Small – 1 Small Softball field with uncovered players areas, a drinking fountain, backstop and baseline fencing (see **Figure 189**). The field is scalable for multiple age groups. The field should be purposed into a tournament quality field.
- Multipurpose Fields-Small – 3 small multipurpose fields (1 is a practice field), all non-engineered with good turf coverage. Some unevenness within the fields should be corrected by re-grading and the fields adapted as tournament quality fields with lighting explored.
- Multipurpose Fields-Large – 1 large multipurpose field, non-engineered with good turf coverage (see **Figure 190**). As with the small multipurpose fields, some unevenness occurs across the field and should be corrected with re-grading. The field also should be upgraded to a tournament quality field with lighting explored.
- Splash Park – 1 splash park with multiple jets and dimensions and 8 metal benches (see **Figure 191**).
- Restrooms – Men's/Women's Restrooms with an outdoor shower and a drinking fountain (see **Figure 192**).
- Picnic Areas – 12 single 6 feet long metal picnic tables (see **Figure 193**) on 10 round concrete slabs and 3 square 3 feet x 3 feet tables on concrete slabs.
- Pavilion; Large – 2 large picnic pavilions; lighted (see **Figure 194**) each with 6 metal tables (1 ADA accessible), 1 large BBQ pit, 1 large sink area, 1 metal

Figure 1437 – Skate Park

Figure 1428 – Basketball Court

Figure 1449 – Softball Field

Figure 190 – Large Soccer Field

Figure 191145 – Splash Park

Figure 1462 – Restroom Shower

Figure 193 – Group Picnic Area 2

trash receptacle, 2 trash barrels. 1 drinking fountain and bike rack serves both pavilions. Concrete slab area is 31 feet by 100 feet.

- Amphitheater – 1 large amphitheater with 50 feet x 37 feet concrete stage and 5 rolls of concrete seats separated by grass.
- Trail – 1.76 miles of concrete trail with 11 metal benches
- Playground Areas – 2 playground areas with structures for ages 2-5 and 6-12, a 2 bay swing set with 2 belt seats and 2 bucket seats, a sand pit with backhoe,

Figure 194 – Large Pavilions

### 1.1.31.3 RECOMMENDATIONS

- Adopt this park as the standard for design, layout and design standards for the district in regards to Community parks
- Upgrade community park bat and ball assets to tournament quality
- Remove skate park ramps and install an in-ground skate park possibly south of the parking lot
- Add mileage markers along the fitness trail. The trail was already heavily being used as a fitness component during the assessment.
- Look at incorporating additional small assets, tree groves or natural areas into the site to reduce turf quantity.

## 1.1.32 SUNRIVER PARK

### 1.1.32.1 OVERVIEW

Sunriver Park is a 5 acre neighborhood park on Klamath River Drive (**see Figure 195**). Many renovations have been recently completed on-site. Overall the turf is in fair condition and the site vegetation is mature and in good condition. The park backs to the American River and is well connected to the hike/bike trail via a new concrete trail. Neighborhood connectivity is excellent with on-street parking and a cul-de-sac dogleg. Safety lighting exists along the trail and around the playground area, and no immediate safety concerns were identified during the site assessment.

Figure 1495 – Entrance Signage

### 1.1.32.2 MAJOR ASSETS

- Basketball Courts – 2 full sized basketball courts (**see Figure 196**) with asphalt surfaces in good condition. Goals, posts, rims and nets are all in working condition and striping on the courts is new. This asset is in lifecycle stage 1. The grass area along the north end of the courts is in poor

Figure 1516 – Basketball Courts

Figure 1507 – Soccer Field

condition and should be reseeded or converted to a hard-surface. Also, there are some draining issues that will quicken the court surface depreciation from improper ditching along the western edge of the courts that could be easily addressed. One trash barrel is located at the courts.

- Multipurpose Field-Small – 3 small multipurpose fields, 1 being a U10 field (**see Figure 197**) with permanent soccer goals and 2 small U6 fields with a backstop overlay. The field surface conditions are mostly flat with good turf coverage.
- Pavilion-Small – 1 small ADA accessible picnic pavilion (**see Figure 198**) with 2 metal mesh tables 8 feet in length on a large concrete pad, large BBQ pit, water fountain and 2 trash barrels. This asset is new and was replaced in 2009
- Picnic Area – 1 ADA accessible picnic area on a concrete pad with 1 8 feet in length metal mesh table, 1 small BBQ pit and a trash barrel. This asset is new and was replaced in 2009.
- Playground Area – 1 new ADA accessible playground area (**see Figure 199**) replaced in 2009 with a structure for ages 6 to 12. Ancillary features include a rope climber, monkey bars, sandpit with water tap, 2 bay swing set with 2 bucket seats and 2 belt seats and a trash barrel.
- Trail – 786 feet of concrete trail varying from 6 to 8 feet in width (**see Figure 200**), much of it renovated in 2009. The trail condition is in excellent shape and has 3 trash barrels and 2 dog waste stations.

#### 1.1.32.3 RECOMMENDATIONS

- Add design standards throughout the site for signage and trash receptacles to make uniform with all parks in the system
- Continue a trail down the southern edge of the park to create a looping fitness trail and add distance markers.

### 1.1.33 TAYLOR PARK

#### 1.1.33.1 OVERVIEW

Taylor Park is a 3 acre neighborhood park (**see Figure 201**). The turf is in fair condition and the vegetation condition is mature and in good. The park is not connected to a hike/bike trail but is in the vicinity of the American River Trail. The site is immediately adjacent to a school. Safety lighting is present within the park and no safety concerns were observed during the assessment. Visibility through the park is good at entrance but is hidden behind in the treed areas to the south.

Figure 1528 – Small Pavilion

Figure 200 – Trail

Figure 201 – Entrance Signage

### 1.1.33.2 MAJOR ASSETS

- Playground Area – 3,500 square foot ADA accessible playground area with fibar structure for 6-12 year olds (**see Figure 202**). The fibar depth appears to meet required depth. The playground area also has a wooden bench and a metal bench area. Concrete surfaces surrounding the playground area have been recently renovated. The structure is in lifecycle stage 2.
- Picnic Areas – 3 new picnic areas on concrete pads, 1 ADA accessible with an 8 foot drinking fountain and a trash barrel and 2 picnic areas with 8 feet long concrete picnic tables, small BBQ grills and trash barrels.

Figure 202 – Playground Area

### 1.1.33.3 RECOMMENDATIONS

- Add design standards throughout the site for signage and trash receptacles to make uniform with all parks in the system
- Add bike lanes and directional signage to/from the American River Trail.
- Work with school to alter field configurations to include 1 regulation/1 small sized soccer field by combining park and school property (**see Figure 203**).
- Work with neighbors to remove storage within the park (**see Figure 204**)

Figure 203 – Field Alteration

Figure 1544 – Neighbor Storage

## 1.1.34 THE VILLAGE GREEN PARK

### 1.1.34.1 OVERVIEW

Village Green Park is a newer 3.6 acre urban neighborhood park (**see Figure 205**) on Bridgeway Drive and is located in a Beezer Homes development. The popular park has a large rectangular multipurpose use open area. The inner park trail has with security lighting with multiple benches located along the trail path (**see Figure 206**). There is a water fountain and permanent restrooms located at the park. The park has a good image, location and fit. There is excellent connection to the neighborhood. Across the street is a plaza type courtyard. No safety issues were observed. The park has excellent visibility, safety lighting, and is clean and well maintained. The park appears ADA accessible. All assets are in lifecycle 1.

Figure 205 – Entrance Signage

Figure 206 – Coffee Shop Setting

Figure 1557 – Amphitheater

### 1.1.34.2 MAJOR ASSETS

- Amphitheater – 1 large amphitheater (see **Figure 207**) with grass berm seating and a lighted concrete stage with dressing areas.
- Restrooms – Family style restrooms with typical amenities. Restrooms are clean and odorless with one outside trash receptacle outdoor shower.
- Trail – 3,352 feet of concrete trail surrounding the site assets with 13 black metal benches and a drinking fountain.
- Picnic Areas – 10 coffee shop style black metal tables with chairs.
- Spray Park – 1 spray park with multiple in-ground jets (see **Figure 208**) and a drinking fountain.
- Storage Building – Within the entrance tower (see **Figure 209**), houses the filtration pumps, valves, filters and spray park operational components.

Figure 1508 – Spray Park

Figure 1579 - Tower

#### 1.1.34.3 RECOMMENDATIONS

- Adopt this park as the standard urban neighborhood park setting within the district for design, assets and design standards.
- Incorporate natural areas, such as a butterfly garden, or additional vegetative bedding in the smaller open grass areas to reduce turf quantity.

### 1.1.35 TUSCANY PARK

#### 1.1.35.1 OVERVIEW

Tuscany Park is a newer 4.5 acre neighborhood park (see **Figure 210**) on Covina Drive. The park has a good layout, neighborhood fit, image, and location. The park is clean and well maintained. Neighborhood is well connected on three sides. The park is across the street from the Greenbelt Bike Trail. Overall the park is in good condition with a few necessary repairs. Safety lighting is present throughout the park. The main flowerbed near the entrance has need for removal of weeds.

Figure 210 – Entrance Signage

Figure 15811 – Basketball Court

#### 1.1.35.2 MAJOR ASSETS

- Basketball Court – 1 half sized basketball court with a painted asphalt surface (see **Figure 211**). Goal, netting and pole are in fair condition, however the surface is lifecycle 3 and is potting and peeling and should slated for repair or replacement. There is one bench and a trash barrel.
- Pavilion-Small – 1 small picnic pavilion with 4 picnic tables (see **Figure 212**), 2 small BBQ pit, drinking fountain and a trash barrel.

Figure 1592 – Small Pavilion

Figure 1603 – Soccer Field

- Picnic Areas – 7 picnic areas on concrete pads, 2 with square metal mesh tables and 5 with 6 foot long metal mesh tables.
- Multipurpose Field-Small – 1 small multipurpose field (**see figure 213**) with permanent soccer goals and a backstop overlay. The field turf is in good condition however the surface is uneven and wavy.
- Playground Area - 1 newer ADA accessible playground area with a structure (**see Figure 214**) for ages 2-5 and 6-12. The surface is fibar and it appears to meet 12 inch minimum recommended. Several small ancillary play pieces are located in the smaller age segment side of the playground area.
- Horseshoe Pit - 1 horseshoe pit with backer boards in good shape and both horseshoe posts are in place. Horseshoe surface is in decent shape with aging edging. The pit needs to be raked and sanded in the pit areas
- Tail – 2,420 feet of 6 feet wide concrete trail (**see Figure 215**)

Figure 1614 – Playground Area

Figure 1625 – Trail

### 1.1.35.3 RECOMMENDATIONS

- Finish the design standards to bring assets and signage in line with other similar neighborhood parks in the system, such as Sonoma Park.
- Crosswalk to the bike trail
- Fix the coating on the benches and tables from apparent skateboard damage
- Repair the basketball court surface and address drainage issues
- Remove the trash barrels and unify the trash receptacles
- Weed the flowerbeds near the park entrance

### 1.1.36 VETERANS PARK

#### 1.1.36.1 OVERVIEW

Veterans Park is a 6.4 acre (5.0 acres irrigated) neighborhood park (**see Figure 216**) on Excelsior Rd. The turf is in good condition, however many of the assets are aging and have exceeded or are nearing the end of their lifecycle. The park is connected on all sides to the surrounding neighborhood and is near a school. The location is not in the vicinity of a hike or bike trail, and is remote to all but the surrounding neighborhood. There is off-street parking with 21 stalls and 1 ADA accessible stall that is in good condition. Visibility across the site is good with the exception of the overgrown vegetation areas around the basketball court. Other vegetation at the site is mature and in good condition, but a bit overgrown in areas.

#### 1.1.36.2 MAJOR ASSETS

Figure 1636 – Entrance Signage

Figure 1647 – Playground Area

- Playground Area – 1 Playground area with a structure (**see Figure 217**) for ages 6-12. The surface is fibar and appears to meet the minimum recommended depth. There is an ADA drinking fountain.
- Tennis Courts – 2 un-lit tennis courts (**see Figure 218**) in lifecycle stage 3. Both courts should be removed and relocated within the park. Ancillary enhancements include an ADA drinking fountain and 2 benches.
- Basketball Court – 1 full size, fenced basketball court (**see Figure 219**) in lifecycle stage 3. As with the tennis courts, the basketball court should be removed and relocated within the park.
- Trail – 3,455 feet of concrete trail (**see Figure 220**) 6 feet in width.
- Horseshoe Pits – 2 horseshoe pits in fair condition in need of edging and weeding. Also the sand could be refilled and raked.
- Picnic Areas – 9 individual picnic areas on concrete pads with concrete tables, most with small BBQ grills and trash barrels.
- Group Picnic Area – 4 covered group picnic areas (**see Figure 221**) on concrete pads each with a 20 foot by 20 foot covered structure, 2 concrete picnic tables, a trash barrels. There is a common table and BBQ grills

Figure 1658 – Tennis Courts

Figure 1669 – Basketball Court

Figure 220 – Trail

Figure 16721 – Group Picnic

#### 1.1.36.3 RECOMMENDATIONS

- Add design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system.
- Relocated basketball court and/or tennis courts to southwestern portion of the site and configure the northern portion for a multipurpose field

### 1.1.37 WATERBROOK PARK

#### 1.1.37.1 OVERVIEW

Waterbrook Park is 0.1 acre neighborhood park (**see Figure 222**). The park is a small pocket park that is well connected to the neighborhood and is not part of a hike or bike

trail. The park is in the vicinity of the Alexander Bike Trail and could be connected with bike trails or signage. Visibility is good and there is safety lighting. The vegetation and bedding is young and in good condition. Overall the park is in lifecycle 1. This park is too small to adequately serve the needs of the neighborhood and should not be replicated within the system.

Figure 1682 – Entrance Signage

#### 1.1.37.2 MAJOR ASSETS

Figure 1693 – Playground Area

- Playground Area – 1 playground area with a structure for ages 5-12 on a rubberized mat (**see Figure 223**). Ancillary features include an ADA drinking fountain, a bench, a covered bench and a waste receptacle.
- Trail – 241 feet of concrete trail (**see Figure 224**).

Figure 1704 – Trail

#### 1.1.37.3 RECOMMENDATIONS

- Add design standards throughout the site for furniture, signage and assets to make uniform with all parks in the system.
- Add directional signage from Alexander Bike Trail to and from the park exploring the creation of bike lanes as the trail expands.

### 1.1.38 WHITE ROCK PARK

#### 1.1.38.1 OVERVIEW

White Rock Park is 13 acre community park that borders U.S. Highway 50 and White Rock Road. The park is connected through a pedestrian over pass to the other side of the highway. It has a decent fit with the neighborhood but poor connectivity. The park has a reputation of having some crime and loitering issues especially in the evening hours. Visibility across the park is good however portions along the interstate are hidden. The district is in the process of acquiring the funds for an entire park improvement plan and the assets from the assessment have been removed (**see Figure 225**).

Figure 225 – Aerial Photo of the park under construction

#### 1.1.38.2 MAJOR ASSETS THAT WERE REMOVED

- Tennis Courts - 2 lighted with deep cracking in surfaces. The courts need renewing to repair surface and minimize the standing water. Fencing is in adequate condition but nets need adjustment. Lifecycle is stage 3.
- Horseshoe Pit – 1 with relatively good shape back boards and posts. The pit area needs weeding and infield of sand and pit.

- Playground Area -1 ADA accessible playground area with one 1 structure for ages 2-6 and a 2 bay swing set with 4 belt swings. The swing set is need of minor preventative maintenance in form of painting at the joints. The swing sets are experiencing some typical rutting found at swings of fibar surface. The lifecycle of the structures is at stage 2. The fibar surfacing appears to be meeting the minimum 12 inch standard.
- Individual picnic areas -3 located near the playground structure each on a concrete pad. Two have grills and trash barrel and the third just has a trash barrel.
- Basketball Courts – 2 basketball courts on 1 large concrete slab. Courts are laid parallel to one another without a buffer. Both courts have two hoops with nets in place. The surface is experiencing some cracking and is in early lifecycle stage 3.
- Group Picnic Areas – 1 group picnic arae next to the basketball courts with 5 tables, two trash can and one prep bar
- Aquatic Facility – The aquatic facility located is currently out of service.
- Trail – 4,678 feet of concrete

---

### 1.1.38.3 RECOMMENDATIONS

- Potential to remove pool and place playground in Shift the portable building over to a different location to free up lines of sight and provide a structure in partnership with the city of Cordova
- Proceed with the park improvement plan
